Sen. Josh Hawley on Wednesday became the first Republican senator to publicly say he will object to the certification of the presidential election results when a joint session of Congress meets in one week to formally certify President-elect Joe Biden's 306-232 Electoral College victory over President Donald J. Trump.

Thank you Senator Hawley for your courage standing up for President Trump!

The protest was led by the same people connected to Ziegler who were filming outside the Vern Buchanan town hall at the Van Wezel in Sarasota in 2017, namely Dustin Stockton. Stockton was also part of Steve Bannon's border wall group. /5
