The FIRST story to break out of Italy, by Cesare Sacchetti
https://t.co/zjllaVBuf8 ■■

The second story from Sacchetti is BONKERS! ■■
https://t.co/JLRJCaYbUV ■■

Maria Zack, founder of https://t.co/IaftMj8cs0 on January 6th broke this story which corroborates Sacchetti's claims. ■■

Ex CIA operative, Bradley Johnson, is the third source corroborating both Zack and Sacchetti.

Profile of the accused hacker, Arturo D'elia, is legitimate. He was arrested in Italy and charged along with one other individual for hacking Leonardo Co. (which is majority owned by the Italian government). ■■
