Provost of Antifa / ████ ██████
@MsEntropy

These are the people paid to analyze situations for us.

Good God, how frustrating.

Call me with questions, Chris. Happy to fill you in on a decade or so of work on the matter.

> The reason I keep thinking about the gallows erected outside the Capitol is that it appeared to be *an actual gallows*, with a noose and a platform. And I truly wonder if this was intended for something more than just...symbolism. pic.twitter.com/QIAHvO69Ou

Twitter is infested with some of the absolute dumbest takes I have ever seen on the issue of white supremacy, insurgency, and political violence.

Please vet your sources.

People are falling for so much utterly ridiculous shit, my God.
