The for-profit university, which donated \$50,400 to RAGA last year, is demanding its money back

"We have asked RAGA to return our contribution to us as soon as possible."

4. [@DoorDash](#) says that "Any individual or organization that encouraged or facilitated this horrific behavior must be held accountable."

All this is a wakeup call for the Republican Attorneys General Association, which has accepted NO RESPONSIBILITY FOR

ITS INVOLVEMENT

RAGA @RepublicanAGs

We want confidence in our elections but a rushed transition to mass mail-in voting by @JoeBiden will only cause chaos and uncertainty. We just stop the #LawlessLiberals from stealing the election. #Debates2020

This video is from outside the Convention Hall in Detroit, MI. Democrats have large numbers of operatives inside & are not allowing Republican volunteers in to observe the canvassing and opening of ballots. Democrats are locking out GOP observers to conduct a secretive count.

Adam Piper @adampiper · Nov 5, 2020

Lawless liberal democrats continue to corrupt the process and skirt the rules by trying to decide this election in the dark of night, locking observers out of their smoke filled rooms. @RepublicanAGs have boots on the ground defending the #ruleoflaw. Here is fresh video from MI:
