And "during this time" the "Initiating" of the President's Emergency Broadcast System began.

Okay okay, I don't have sauce because it was secret but listen to Tucker use a fake news trick called "sources" on 11.4.18

### Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will

Wait? What? Seriously?

Simple.

We made it public.

Operation closed and cleaned.

Coincidence post drop?

Coincidence No Name [exact 30]?

Coincidence Sen. Graham activated?

In the end, you will be 'shocked' to learn what  
you've 'essentially' witnessed.

Think NYC bomber 'fireworks' hours prior.

Why is this relevant?

What was the last Tweet by POTUS prior to SA?

Why is this relevant?

No matter where POTUS travels, his specific locations are classified unless he has a scheduled engagement.

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.
