Act of 1871

This is Long but it will end with a MEGA BOOM!

Promise!

With no constitutional authority to do so, Congress created a separate form of government for the District of Columbia, a ten-mile square parcel of land (see, Acts of the Forty-first Congress," Section 34, Session III, chapters 61 and 62).

The act — passed when the country was weakened and financially depleted in the aftermath of the Civil War — was a strategic move by foreign interests (international bankers) who were intent upon gaining a stranglehold on the coffers and neck of America.

Congress cut a deal with the international bankers (specifically Rothschilds of London) to incur a DEBT to said bankers. Because the bankers were not about to lend money to a floundering nation without serious stipulations, they devised a way to get their foot in the door of the United States.

The Act of 1871 formed a corporation called THE UNITED STATES.

The corporation, OWNED by foreign interests, moved in and shoved the original Constitution into a dustbin. With the Act of 1871, the organic Constitution was defaced — in effect vandalized and sabotage — when the title was capitalized and the word "for" was changed to "of" in the title.

THE CONSTITUTION OF THE UNITED STATES OF AMERICA is the constitution of the incorporated UNITED STATES OF AMERICA.

It operates in an economic capacity and has been used to fool the People into unknowingly becoming indentured and indebted to the new corporation, THE UNITED STATES, and that it governs the Republic. It does not!

Capitalization is NOT insignificant when one is referring to a legal document. This seemingly "minor" alteration has had a major impact on every subsequent generation of Americans.

3.

The TL; DR version is they, by military force, and illegitimate legislature, amended the constitution against the will of The People and legally tricked us into becoming unwitting indentured slaves of human capital and resources to THE UNITED STATES OF AMERICA the corporation)

Republic vs Democracy

-They needed to get away from the Republic and create a Democracy in order to drive us towards socialism and inevitably a dictatorship (National Socialist Party aka NAZI)

Republic	DEMOCRACY
<p>"Libera Res Publica" Free from Things Public</p> <p>"I pledge allegiance to The United States of America, and to the Republic for which it stands, One nation under God"</p>	<p>Emphasizes "<u>Democracy</u>" which is the next thing to "Socialism" which is another form of "Communism".</p> <p>Did you say Communism? Flag

Flag

- USA Military Flag (regular red white and blue)
 - USA Civil Flag vertical stripes
 - THE USA Corporation Flag (Gold Fringe)
 - Some say it is a flag of Admiralty/Maritime type jurisdiction and is not supposed to be used on Land. Others say it's not a flag at all, but fiction.
- However, the gold fringe which surrounds the flag gives notice that the American flag has been captured and is now being used by the corporate so-called government to give notice of its jurisdiction.
- The flag shown above is Not described in Title 4 of USC and therefore is illegal on land except for maybe (1) the President since he is in charge of Naval Forces on high seas, and (2) naval offices and yards.
- The so-called justification for a Naval/Maritime flag to be on land is that all land was under the high water mark at one time even if it was eons ago. (Great Flood anyone???)

Governing Body

The Free Inhabitants are
a government body unto themselves.
Not forced to join a "state"
Not forced to be a citizen of any group.
Not forced to inhabit any territory.
Not forced to join the militia or military.
Not forced to pay un-requested services.

The Northwest territory and possessions were
governed by three separate and distinct
Branches or Departments equal to each other as
to power and control of a segment of government
while being on the same playing field laterally in
position to each other.

- Legislature
(Constitution; Article I)
--can enact **positive law**
- Executive
(Constitution; Article II)
- Judicial
(Constitution; Article III)
--known as article III courts

The purpose of having three separate and
distinct branches at the same level is for checks
and balances so that no one man or branch of
government has complete power.

The legislative Branch consists of the Senate and
Congress.

The purpose of the Senate was originally
designed to voice states rights while Congress
voiced the peoples rights.

The Senators were chosen by the states and
were not elected by the people.

Together, they can come to a conclusion that
meets the rights, interests, and benefit of both
the state and the people.

Separation of Powers

**"To announce that there must be no criticism
of the President, or that we are to stand by
the President, right or wrong, is not only
unpatriotic and servile, but is morally
treasonable to the American public."**

--Theodore Roosevelt, 1912

"If the representatives of the people betray their
constituents, there is then no resource left but in the
exertion of that original right of self-defense which is
paramount to all positive forms of government, ... if
the persons entrusted with supreme power become
usurpers, ... The citizens must **rush tumultuously to
arms**, without concert, without system, without
resource; except in their courage and despair."

--Federalist #28 - Hamilton

GOVERNING BODY

The President (a Caesar)
rules by **Executive Order**
(Unconstitutional)

Congress and the Courts
are under the President.

**Did you ever wonder why Congress is ignored by
the President?**

The President is the Chief Executive Officer
(C.E.O.) of the government corporation.
Impeachment today is nearly impossible, unless
it is in the best interest of the controlling bankers
and the one-world government elite.
Also, what most people do not realize is that
most courts today are legislative courts
and not Judicial.

The so-called (corporate) Congress
sits by **resolution**
not by positive law.

Therefore, the position of power is as follows:

1. President (C.E.O of the corporation sits as
Caesar
--does not need congressional approval)
2. Legislature (The new Congress and
Senate voices Public Opinion)
3. so-called Judicial (Legislative, Article I
courts) opionate what's best for the
corporate so-called government and the
elite
4. Non-existent Judicial
(Article III courts)
except for Special circumstances
that benefit the elite

The top position has control over the second
position and the second position has control over
the last position vertically and not laterally.

There are no checks and balances unless the
President is concerned with a potential revolution
based on the outcry of its citizens.

Each **puppet** that comes into office wears a different
costume but ends up serving the same master. (The
Masters are the Elite and Bankers operating behind
the scenes)

**Only two executive orders
were overturned:**

"The Supreme Court ruled in *Youngstown Sheet &
Tube Co. v. Sawyer*, 343 US 579 (1952) that
Executive Order 10340 from President Harry S.
Truman placing all steel mills in the country under
federal control was invalid because it attempted to
make law,..." See: [Opinion of Justice Black](#) and [Case
Law](#)

"...a 1996 order issued by President Clinton that
attempted to prevent the U.S. government from
contracting with organizations that had strike-breakers
on the payroll.[6] Congress may overturn an executive
order by passing legislation in conflict with it or by
refusing to approve funding to enforce it. In the
former, the president retains the power to veto such a
decision; however, the Congress may override a veto
with a two-thirds majority to end an executive order."

Medium of Exchange

-Used to be Gold and Silver

-now we play with paper and digital money, that is basically a grandiose IOU created out of thin air, that the bankers collect back with interest, all designed to further the wealth disparity between the elite and The People.

Sovereigns vs SUBJECTS

- Look at the name on Driver's Licenses, Social Security cards, Credit Cards, Deeds, Bank Accounts, etc.

>>name in ALL CAPS, isn't it?

-Your birth certificate has your footprint on it before it touches the land.

Sovereigns	SUBJECTS

Justice System vs "JUST-US" SYSTEM

its set up to benefit (them) – us.

He who has control of the money has control over the laws of the land and thus the control of its people& in our case all US CITIZENS (corporate assets/property).

Counsel

or "Counsellor in-Law"

Lawyer

defined here as
One who studies
and understands
the law or laws

No license required

No registration required

No Bar card required

Just need to know the Law.

The Law is simple
Do not Offend Anyone
Honor all contracts

And of course
one has to recognize
God's Law
some refer to as
"Natures law"
such as "gravity"
or "breathe air to live."

Another basic choice one may live by
is the Golden Rule
"Do unto others
as you would have them
do unto you."

And others acknowledge
and abide by the
Ten Commandments

These laws are simple
easy to understand
not hard to know
and do not change

There are no "codes"

Almost anyone
can become a Lawyer

Attorney

an "Esquire" (British nobility)
a title meaning "Shield Bearer"

Attorney-at-law

The defense Attorney, the Prosecutor, and the
so-called Judge are all attorneys doing business
in the corporate administrative courts (tribunals)
of the U.S. as agents of the Crown of England

Attorneys swear an oath
to uphold the
"BAR ASSOCIATION".

The BAR ASSOCIATION is registered with the
INTERNAL REVENUE SERVICE as a
501(c)(3) organization
like a religious tax exempt organization.

Some people believe that the first letter of B.A.R.
stands for "British".
(British Accredited Registry).

This could be a myth, although the "bar" term
may have originated in London having to do with
an obstruction that denies or allows entrance
such as "raising the bar" being a bridge or a gate.

The BAR in the U.S. was first organized in
Mississippi in 1825.

The "integrated bar" movement, meaning "the
condition precedent to the right to practice law,"
was initiated in the US in 1914 by the American
Jurisprudence Society.

STATE OF CALIFORNIA

"When only attorneys can understand the codes,
statutes, and regulations (so-called laws), then
only attorneys should be required to obey them."

--Jack; Slevkoff--2002

Should I hire an attorney?

Prisons for Incarceration vs prisons for profit

- More and more prisons today are privately owned and run as a profit-making commercial enterprise creating products and services for sale. It is believed that many judges hold stock or an interest in these privatized prisons. These commercially run prisons do not have the best interest of the Inmates or Staff in mind but the bottom line--PROFIT. They need a continuous supply of low-cost labor (slaves) to produce products in order to increase profits. Even when the crime rate is down, these privateers lobby the appropriate governmental and judicial authorities to increase the incarceration rate in order to add to their already substantial profit taking. There are no checks and balances for monitoring this type of system.

19.

Guarantees vs "quarantines"

Your rights, land, money, all belong to the Corp & they'll take them & do whatever they want through the legal processes they illegally set up through the Constitution of the Corporation. You can fight but you WILL lose. Its designed that way.

Guarantees	"QUARANTINES"
<p>Amendment IV</p> <p>"The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."</p>	<p>Warrantless and unreasonable searches in homes, airports, corporate government facilities, on the roadways (highways), etc.</p> <p>Government may search and seize Americans' papers and effects without probable cause to assist in so-called terror investigation. --Patriot Act</p> <p>In Nazi Germany, It started with: <i>"Where's your papers?"</i> or <i>"Your papers, please?!"</i></p> <p>History repeats itself. Now, it is: <i>"ID, please?"</i></p> <p>The I.D. called "Real ID" with biometrics is on the horizon and about to be implemented if not already.</p>

20.
- States vs STATES
- All state governments today are corporations, not sovereign states.
 - Only corporations are required to pay sales tax as entities of the corporate government.
 - They got the CITIZENS to volunteer to pay up front sales tax on their behalf. Thanks Democrats!

States	STATES
<p>"<u>state</u>" when used by itself refers to the "<u>Republics</u>" of The <u>united states</u> of America</p>	<p>In U.S. Titles and Codes "<u>State</u>" refers to <u>U.S. possessions</u> such as Puerto Rico, Guam, etc.</p>
<p>All of the states are "Republics"</p> <p>e.g. "<u>California republic</u>" "<u>California state</u>" or just "<u>California</u>" abbreviated "<u>Calif.</u>"</p> <p>Each state is a sovereign nation unto itself; free and independent</p>	<p>All States are corporations incorporated with the federal corporation</p> <p>e.g. "<u>State of California</u>" <u>corporate California</u> <u>California State</u> <u>STATE OF CALIFORNIA</u> <u>CA</u></p>

21.
- Taxation

- Taxation is theft
- Income Tax is unlawful
- Inheritance Tax is unlawful
- BUT all are legal and limitless under the Laws of the Corporation

Taxation	TAXATION
Limits on taxation	<u>No limit</u> on taxation
<u>Direct</u> taxes such as " Income taxes " are <u>unlawful</u>	Income taxes are legal when properly applied and are ever increasing.
<u>Indirect</u> taxes such as excise tax and import duties are <u>lawful</u>	Other taxation's such as inheritance taxes are legal when properly applied.
	IRS's 1040 forms originated from the <u>1040 Bonds</u> used for funding Lincoln's War
	1863, first year income tax was ever used in history of US. The taxes were collected to help finance the civil war.
	The IRS is a collection arm of the Federal Reserve. The Federal Reserve was created by the Bank of England in 1913 and is owned by foreign investors. The IRS is not listed as a government agency like other government agencies.
	<p>The IRS does not have franking privileges. The IRS has to pay for postage.</p> <p>United States Government Attorneys deny Internal Revenue Service is agency of United States Government.</p> <div>Documentation</div>

22.

debt vs DEBT

- When a government goes bankrupt it loses its sovereignty (important to remember later)
- First bankruptcy was after the Civil War- enter Act of 1871
- Second Bankruptcy was in 1933- Roosevelt
- Members of Congress are the official Trustees in the bankruptcy

Debt

None!

Wouldn't it be nice to be completely out of debt, personally, and have a stash of gold and silver besides?

"The budget should be balanced, the Treasury should be refilled, Public Debt should be reduced, the arrogance of officialdom should be tempered and controlled, and the assistance to foreign lands should be curtailed lest Rome become bankrupt. People must again learn to work instead of living on public assistance." - Cicero, 55 B.C.

DEBT

Trillions of Dollars

First **bankruptcy** was in 1863

In 1865 the total debt was
\$2,682,593,026.53

A portion was funded by **1040 Bonds** to run not less than 10 nor more than 40 years at an interest rate of 6%

When a government goes bankrupt, it **loses its sovereignty**.

In 1933 the U.S. **declared bankruptcy**, as expressed in Roosevelt's Executive Orders 6073, 6102, 6111, and 6260, House Joint Resolution 192 (Public Law 73-10) of June 5, 1933 (31 U.S.C. 463) confirmed in Perry v. U.S. (1935) 294 U.S. 330-381, 79 LEd 912, as well as 31 United States Code (USC) 5112, 5119, Senate Report 93-549, and 12 USC 95a.

Members of Congress are the official **Trustees** in the bankruptcy of the US and the re-organization

WASHINGTON, D.C., January 24, 2020 (LifeSiteNews) – Below is the text of President Donald Trump's address to the 2020 March for Life. This is the first time any U.S. president has attended the march, which is the largest annual human rights demonstration in the world.

REMARKS BY PRESIDENT DONALD TRUMP AT 2020 MARCH FOR LIFE

LIFE President Trump's full speech at 2020 March for Life

Thank you very much and thank you, Jeanne. It is my profound honor to be the first president in history to attend the March for Life. (applause) We are here for a very simple reason: to defend the right of every child, born and unborn, to fulfill their God-given potential. (applause)

For 47 years, Americans of all backgrounds have traveled from across the country to stand for life.

And today as President of the United States, I am truly proud to stand with you. (applause)

This year, the March for Life is celebrating the 100th anniversary of the 19th amendment, which forever enshrined women's rights to vote in the United States and given by the United States constitution. Such a big event. Today, millions of extraordinary women across America are using the power of their votes to fight for the right and all of their rights as given in the Declaration of Independence. It's the right to life. (applause)

To all the women here today, your devotion and your leadership uplifts our entire nation and we thank you for that. The tens of thousands of Americans gathered today not only stand for life – it's really here that they stand for life so proudly together. And I want to thank everybody for that. You stand for life each and every day. You provide housing, education, jobs, and medical care to the women that you serve. You find loving families for children in need of a forever home. You host baby showers for expecting moms. You make – you just make it your life's mission to help spread God's grace.

And to all the moms here today, we celebrate you and we declare that mothers are heroes. (applause) Your strength, devotion, and drive is what powers our nation. Because of you, our country has been blessed with amazing souls who have changed the course of human history.

We cannot know what our citizens yet unborn will achieve. The dreams they will imagine. The masterpieces they will create. The discoveries they will make. But we know this: the grace of life brings joy to this world. Every child brings joy to a family. Every person is worth protecting.

And above all, we know that every human soul is divine and every human life, born and unborn, is made in the holy image of Almighty God. (applause)

Together, we will defend this truth all across our magnificent land. We will set free the dreams of our people. And with determined hope, we look forward to all of the blessings that will come from the beauty, talent, purpose, nobility, and grace of every American child.

I want to thank you. This is a very special moment. It's so great to represent you. I love you all. (applause) And I say with a true passion, thank you, God bless you, and God bless America. Thank you all. Thank you. (applause)

Thomas Jefferson wrote, and the 56 signers of the Declaration of Independence assented, that we are:

“endowed by our Creator with certain UNALIENABLE Rights...Life, Liberty, and the Pursuit of Happiness.”

UNalienable differs from Inalienable, though some have wrongly accused Jefferson of ‘misspelling’ a U for an I. Not so. **READ THE TRANSCRIPT!**

Unalienable rights are natural and can NEVER be infringed upon. Inalienable rights can be surrendered, but ONLY with CONSENT.

POTUS TRUMP has fought for the UNALIENABLE Right to LIFE, as embodied in the Declaration, as no other POTUS in History. Other Unalienable Rights are now protected by establishing the *Commission on Unalienable Rights*, under the Department of State.

“Unalienable: incapable of being alienated, that is, sold and transferred.” Black’s Law Dictionary, Sixth Edition, page 1523:

You can not surrender, sell or transfer unalienable rights, they are a gift from the creator to the individual and can not under any circumstances be surrendered or taken. All individual’s have unalienable rights.

Inalienable rights: Rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. *Marrison v. State, Mo. App., 252 S.W.2d 97, 101.*

You can surrender, sell or transfer inalienable rights if you consent either actually or constructively. Inalienable rights are not inherent in man and can be alienated by government. Persons have inalienable rights. Most state constitutions recognize only inalienable rights.

U.S. DEPARTMENT OF STATE

Commission on Unalienable Rights

On July 6, 2019, Secretary of State Michael R. Pompeo announced the formation of a Commission on Unalienable Rights. The Commission is comprised of scholars, philosophers, and activists, and provides the Secretary with advice on human rights grounded in our nation’s founding principles and the principles of the 1789 Universal Declaration of Human Rights.

“The commission’s mission,” Sec of State Pompeo explained in a Wall Street Journal op-ed, “isn’t to discover new principles but to ground our discussion of human rights in America’s founding principles.”

The written records are a continuation of the "Doomsday Book" which keeps track of the Crown of England's holdings. The "Doomsday Book" originated as a written record of the conquered holdings of king William, which was later the basis of his taxes and grants.</p> <p>Whenever something is registered it is actually being put into the kings domain. The word "registered" is derived from the word "regis" which means "kingly." Therefore, recording a document today is the same as registering it and putting it into the kings domain.</p> <p>Property recorded or registerd at the recorders office makes the corporate de facto government "holders in due course." Free Enterprise	CORPORATISM
<p>The people engage in free enterprise by trading ones labor for another's labor.</p> <p>There is no filing, registering, or obtaining permission or licensing from any government structure.</p> <p>The people are responsible for themselves and each other.</p> <p>The people do not rely on insurance to overcome irresponsibility and capriciousness.</p>	<p>Composed of, encourages, and creates a corporate structure of corporations and big businesses that use people as human resources to further its goal to grow and expand and become more powerful thereby eliminating competition and becoming more controlling.</p> <p>The thing created (the corporation) becomes more powerful than the creator (man) who created it. Man is no longer free but is subservient (a slave) to the corporate structure. The corporate structure needs to reduce the wages of its human resources to decrease cost to increase profit to keep growing.</p> <p>Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons having big egos controlling the lives of the common folk from cradle to grave.</p> <p>Corporations have no feelings. Corporations primary purpose is to grow and are thereby less responsible and less sympathetic towards the people, thereby rely on and utilize insurance or other resources such as the corporate government to bail themselves out of irresponsible critical situations.</p> <p>Most often, people start with a free enterprise but choose to be incorporated into the government structural system. To incorporate is to become a part of something bigger. Therefore, corporations are creatures created by the so-called government and are no longer a free enterprise. Corporations become big uncontrollable monsters who eventually control government by putting their people into office to maintain control. These monsters got out of their cages when they made fictions such as corporations equal with people by calling them "persons" having the rights equal to people. Most corporations eat each other up and become huge monsters, thereby creating monopolies that stifle "capitalism" in its true meaning. Corporations do not want competition. They want to eliminate competition using their power and politicians they purchased. They want to capture the system and use it for their benefit.</p>

GUNS

Faith and Worship vs RELIGION

Tax exemption is their permission from the government to exist

PROOF- is the government telling churches they have to close during Coronavirus despite it being a 1st AMENDMENT right

NOT requiring permission from the government to exist or operate

Faith and Worship

Churches exist alone.
No permission of government required.

1st Amendment

Protects against government making a law that would respect an establishment of religion or prohibit the free exercise of ones belief.

The French and other romance languages get their word for church from the Greek word "ekklesia," meaning "called out" referring to all those, living or dead, who have accepted what Jesus, The Christ, has offered.

"I do not go to a specific church
but am just one member of The Church."
--Jack; Slevkoff 1986

RELIGION

This government wants to control religious institutions by having them come under their jurisdiction as

corporations

under

Section 501(c)(3).

under Title 26 of the

Internal Revenue Code (U.S. Code)

This is to prevent the clergy, Pastors, Ministers, etc. from having any political influence on its members or the public in general. This government regulates what is to be said and not to be said.

These churches also display the
gold fringe flag.

Their faith is in the government and not in God.
They exist by permission of this government not

by God alone.

"Tax-exempt corporation."

A: Based on WL emails it's George Soros

Q: Who controls [wields significant influence] re: the 'Hussein' [D] party?

A: Based on next Q drop it's Prince Al-Waleed bin Talal.

IT WOULD APPEAR that Soros's and Al-Waleed's jobs were to come in and destabilize, and use their media and political assets to bring "democracy" to these countries aka take them over and enslave their citizens into oppression. How many countries have they done this to? Is the objective then to establish central banks? Corporate constitutions? If so, then there's the connection to the Rothschilds. Remember they took the US debt after the Civil War then later implemented the Federal Reserve. In the year 2000 there were 7 countries without a Rothschild owned or controlled Central Bank: Afghanistan, Iraq, Sudan, Libya, Cuba, North Korea, Iran. But things had changed by 2003, when after "wars and destruction" based upon "terrorist groups" and "evil dictators", The only countries left in 2003 without a Central Bank owned or controlled by the Rothschild Family were: Sudan, Libya, Cuba, North Korea, Iran. Terrorist groups like ISIS/Al-Qaeda/Taliban/Hezbollah/Antifa etc come in and start "war". US military is then used as a proxy to go "save the day". Together they destroy as much as possible and get the citizens of these respective countries to either flee or submit to a new "protective and Democracy based" government with a propaganda based media arm to brainwash the citizens. NWO. Rinse repeat.

Here's the transcript. I highlighted the important parts in red

Our movement is about replacing a failed and corrupt political establishment with a new government controlled by you, the American People.

The Washington establishment, and the financial and media corporations that fund it, exist for only one reason: to protect and enrich [themselves]. The establishment has trillions of dollars at stake in this election.

For those who control the levers of power in Washington, and for the global special interests they partner with – these people that don't have your good in mind – our campaign represents a truly-existential threat, like they haven't seen before.

This is not simply another four-year election. This is a crossroads in the history of our civilization that will determine whether or not We the People reclaim control over our government.

The political establishment that is trying to stop us is the same group responsible for our disastrous trade deals, massive illegal immigration, and economic and foreign policies that have bled our country dry. The political establishment has brought about the destruction of our factories and our jobs as they flee to Mexico, China, and other countries all around the world.

Trump seemed to already know about this system and allowed the Supreme Court to try the DACA case just so he could provide precedent and so he can prove to the Dems that there's NOTHING THAT CAN STOP WHAT'S COMING. >>Powers no one "knew/thought" the President had.

August 11, 2020 at 4:00 a.m. MDT

Over the weekend, President Trump issued four executive orders, asserting power to defer payroll taxes and provide expanded unemployment benefits, among other things, all without going to Congress. These actions are alarming enough: They effectively seek an end-run around Congress's "power of the purse," which enables the legislature to dictate what taxing and spending the executive branch may pursue.

-The Trump administration renewed its push for school choice on Thursday with a proposal to provide \$5 billion a year in federal tax credits for donations made to groups offering scholarships for private schools, apprenticeships and other educational programs. Education Secretary Betsy DeVos unveiled the plan as a "bold proposal" to give students more choices without diverting money from public schools.

"What's missing in education today is at the core of what makes America truly great: freedom," DeVos said. "Kids should be free to learn where and how it works for them."

The White House on Monday released its first stand-alone proposal for higher-education reform, urging the U.S. Congress to enact laws affecting accreditation, Pell Grants, and student-loan repayment. The plan repeats themes raised in President Trump's 2020 federal budget proposal and reflects division between Democrats and Republicans over the federal government's role in regulating the forces that shape colleges and the for-profit sector.

Trump's budget proposal for 2020, released last week, includes a \$7-billion cut in the U.S. Department of Education, a changed student-loan repayment process, and the elimination of the Public Service Loan Forgiveness program.

The last century has produced an American economy where more jobs than ever before require at least some postsecondary education or skill development. Wage premiums and job security continue to be associated with postsecondary education or skills attainment; however, the rising cost of college education and the accompanying growth in student loan balances erode the wage premium associated with a college degree.

Well national parks and monuments are land that is owned by the federal government. In this case, the corporation of the United States. Obama designated whatever he wanted as national monuments and Trump said it was a wild abuse of power. Why. Bc if the federal government is operated out of DC and its assets now include America's land then they can sell those lands to other countries. Corporate law.

Obama then gave eminent domain to China

<https://rense.com/general85/chinainc.htm>

This is a big problem as you can see now. China has now completely infiltrated America's schools, businesses, manufacturing, land, and real estate.

Even better, Donald Trump is using what is known as the ESF, or Exchange Stabilization Fund to fund our Economic Recovery. On paper it is controlled by the US Treasury but operated by the Federal Reserve as a means of stabilizing the value of the dollar. Since there isn't any gold to back it up, they can either inject or withdraw dollar amounts from this fund in order to maintain a certain value of that dollar. They also then adjust interest rates as well. This ESF, pulls money from the IRS (your tax dollars) to fund itself.

Officially in charge of defending the dollar, the ESF is the government agency which controls the New York Fed, runs the CIA's black budget, and is the architect of the world's monetary system (IMF, World Bank, etc).

Check Bloomberg article above for reference on ESF

If I had to guess, I'd say He's going to use the assets of their criminal actions to pay off the debt hundreds of times over. These Criminals had MANY years of money, gold, silver, etc hoarding & those assets will be the very assets that set our Republic FREE of Corporate Rule

And we will Make America Great Again

You have more than you know

He has been telling us from the beginning

And...

112.

Every action he has taken has been to undo the Act of 1871 and the Corporation formed because of it. Not only that but the reason all of these other nations are so willing to join him and make deals is because he's promising them sovereignty.

Holy Kek, He's DOING It

I can see clearly now; the REIGN has gone.
I think the movement will set all countries free back to sovereignty.

114.

The Act of 1871 was the foundation for the rest of this to occur. What it is, is corporatization of our country and enslavement of its citizens in perpetual debt cycles , furthering the divide between elite and poor until there's nothing left.
