### **Act of 1871**

**This is VERY Long but it will end with a MEGA BOOM!**

**Bookmark it and read it in small bits to digest it all.**

**This info, comes from some reputable anons and my own digging, compiled together as a superthread!**

**InevitableET, IPOT... to name a few.**

<https://t.co/udep5WEYUp>

<https://t.co/bnzeQek6zv>

3.

The TL; DR version is they, by military force, and illegitimate legislature, amended the constitution against the will of The People and legally tricked us into becoming unwitting indentured slaves of human capital and resources to THE UNITED STATES OF AMERICA the corporation)

4.

Republic vs Democracy

-They needed to get away from the Republic and create a Democracy in order to drive us towards socialism and inevitably a dictatorship (National Socialist Party aka NAZI)

5.

Flag

6.

-USA Military Flag (regular red white and blue)

-USA Civil Flag vertical stripes

-THE USA Corporation Flag (Gold Fringe)

7.

8.

Medium of Exchange

-Used to be Gold and Silver

-now we play with paper and digital money, that is basically a grandiose IOU created out of thin air, that the bankers collect back with interest, all designed to further the wealth disparity between the elite and The People.

9.

Debt with interest is a system of perpetual debt continually passed on to the people beneath until the debt gap consumes all but those who own the debt.

10.

Sovereigns vs SUBJECTS

- Look at the name on Driver's Licenses, Social Security cards, Credit Cards, Deeds, Bank Accounts, etc.

>>name in ALL CAPS, isn't it?

-Your birth certificate has your footprint on it before it touches the land.

11.

You are thereby a corporate government asset before you even knew what happened, signed off by your mother (unknowingly yet knowingly) thereby getting past the universal law of "free will"

13.

We "freed slaves" by making "everyone (unwitting) debt slaves to the Corporation" by claiming we are all CITIZENS instead of SOVEREIGNS in the 14th Amendment

14.

"Registering to vote" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory.

15.

You're voting in (their) elections then you are admitting, through registration and voting, that you do in fact belong to their system

16.

Justice System vs "JUST-US" SYSTEM

its set up to benefit (them) – us.

He who has control of the money has control over the laws of the land and thus the control of its people& in our case all US CITIZENS (corporate assets/property).

17.

You can attempt to fight the system however it is DESIGNED so that you always lose and "they" always win.

18.

Prisons for Incarceration vs prisons for profit

19.

Guarantees vs "quarantines"

Your rights, land, money, all belong to the Corp & they'll take them & do whatever they want through the legal processes they illegally set up through the Constitution of the Corporation. You can fight but you WILL lose. Its designed that way.

20.

States vs STATES

- All state governments today are corporations, not sovereign states.
- Only corporations are required to pay sales tax as entities of the corporate government.
- They got the CITIZENS to volunteer to pay up front sales tax on their behalf. Thanks Democrats!

21.

Taxation

- Taxation is theft
- Income Tax is unlawful
- Inheritance Tax is unlawful
- BUT all are legal and limitless under the Laws of the Corporation

22.

debt vs DEBT

- When a government goes bankrupt it loses its sovereignty (important to remember later)
- First bankruptcy was after the Civil War- enter Act of 1871
- Second Bankruptcy was in 1933- Roosevelt
- Members of Congress are the official Trustees in the bankruptcy

23.

Unalienable Rights vs Inalienable Rights

By changing 1 word in the State's constitutions we went from God given rights to Government Privileges/Benefits

24.

"Government Privileges/Benefits":

- Social Security
- Medicare
- Medicaid
- Grants
- Disaster relief
- Food Stamps
- Licenses and Registration (Permission)
- Privileges only, no Rights
- Experimentation on citizens without their consent.

25.

Records

- birth certificate
- death certificate
- marriage license

-Miscegenation records

>>all held as records by the County Clerk Office to keep track of the corporate government's holdings which are applied as collateral to the increasing debt.

26.

Free Enterprise vs Corporatism (USMCA)

-The thing created (the corporation) becomes more powerful than the creator (man) who created it.

Man is no longer free but is subservient (a slave) to the corporate structure.

27.

The corporate structure needs to reduce the wages of its human resources to decrease cost & increase profit to keep growing.

Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons controlling the lives of the common folk from cradle->grave

28.

Schools vs Human Resource Development

-Public Schools are actually government schools paid for by forced taxation whether they want it or not.

-Teaches blind obedience to the central STATE.

-Similar to Nazi Germany.

29.

GUNS

-In order to fully take over the US they will eventually have to take our guns because as it stands now, the largest standing military in the world BY FAR is the US Militia (populace who own guns) along with the world's largest stockpile of weapons and ammunition.

30.

Militia vs Military

-(they) used our People, who were sovereigns, and their desire to protect America as justification to form and use the US Military as a tool to destroy other dissenting sovereign nations/cultures

31.

Faith and Worship vs RELIGION

Tax exemption is their permission from the government to exist

PROOF- is the government telling churches they have to close during Coronavirus despite it being a 1st AMENDMENT right NOT requiring permission from the government to exist or operate

32.

33.

And they've used the Organic Acts to take control of unorganized land and decide how it's governed

THEY HAVE EVERYTHING UNDER ORGANIC ACTS!!!

34.

This is where it gets gooooooooood!

Besides the fact that Q Drop 1871 literally shows you a piece of this very system:

35.

How many times has Q told us to watch this video?

<https://t.co/Ey16pqqW1U>

>>listen very carefully (again).

>>Note past (2) years

>>Note next (6) years

>>You were told what was going to happen.

36.

Here's the transcript. I highlighted the important parts in red

37.

Trump seemed to already know about this system and allowed the Supreme Court to try the DACA case just so he could provide precedent and so he can prove to the Dems that there's NOTHING THAT CAN STOP WHAT'S COMING. >>Powers no one "knew/thought" the President had.

President Wants to Use Executive Order to End Birthright Citizenship

14th amendment

<https://t.co/rTnV0BvPaX>

Through the system of birthright citizenship many people become citizens by just coming across the border and having a baby in the US.

62.

Fun little loophole. Voting Numbers, Representatives, and Demographics change when this happens.

63.

<https://t.co/zedhW3xmWo>

64.

Part of that executive order of trump wanting a review of the national monument designation and everyone thought trump was trying to get rid of national parks, he was really saving them from being sold off through the corporation.

<https://t.co/6jmB6MbWfC>

65.

He also signed an Executive Order in regards to China on 7/14/2020

<https://t.co/03Nan9Buen>

That basically says, If you have any relationship, any connection, directly or indirectly, in business, in real estate, in land, in anything, to anyone in the CCP then the US just ....

66.

blocked your assets. We will be taking back what's ours now. Can't have a sovereign nation with other countries owning your country's assets.

USPS reform

70.

Unironically AGAIN, COVID and Mail-In voting has caused the USPS some serious problems. They failed their audit as well. With Trump donor in charge, Postal Service may shut locations and cut service before Election Day

71.

73.

<https://t.co/fsqyPySb6L>

74.

The US Postal Service is crucial in gaining back our sovereignty and here we are strategically placed to not only potentially bust them for allowing, unwitting or wittingly, voter fraud, whilst also getting office locations to close. They're running out of money I wonder why?

75.

He even promised full tax reform (income taxation through corporation is unlawful)

While he hasn't gotten completely rid of taxes, he can't quite yet bc of corporate law still being in place with corrupt politicians

<https://t.co/4Nonl6kQtx>

76.

Incredibly Unironic again, COVID seems to be giving Americans tax breaks again. PPP helping with Payroll and EIDL helping with small business working capital.

New Dollar Backed by Gold Coming This October (2020)?

<https://t.co/2jEZucT1DG>

96.

Unironically AGAIN, COVID caused financial crises allowing DJT to absorb the Federal Reserve, in March 2020, into the US Dept of Treasury for the purpose of being able to protect the public and private economy from fall-out. This man, DJT, is SOOO SMART.

97.

Meet your New Fed Chairman, Donald J. Trump

Everyone should read this article, it explains how we were able to absorb the Fed and what it means going forward.

<https://t.co/E0bzz35Qex>

98.

You're probably asking yourself, "how are we getting all of this money to give to the Citizens for Economic Relief due to COVID? If we are taking it from the FED aren't we more in debt?"

99.

If the US Dept of Treasury owns the FED then the Federal Government owns the debt. If DJT owns our debt do we really even have debt?

100.

101.

THE DS USES YOUR MONEY TO DO WHATEVER IT WANTS ANYWHERE IN THE WORLD W/O CONGRESSIONAL OVERSIGHT AND WITH COMPLETE IMPUNITY

It is estimated since inception they've taken HUNDREDS of TRILLIONS of \$ from US tax dollar coffers.

Dasting that we own the Fed and the ESF hey?

And don't forget this:

Executive Order Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption

<https://t.co/GLQmcrJ3Dm>

109.

If I had to guess, I'd say He's going to use the assets of their criminal actions to pay off the debt hundreds of times over. These Criminals had MANY years of money, gold, silver, etc hoarding & those assets will be the very assets that set our Republic FREE of Corporate Rule

110.

Trump mentioned sovereignty 21 times in a speech heralding a new American worldview

<https://t.co/tlekXRyq1H>

111.

We will take back this country for you

And we will Make America Great Again

DJT

You have more than you know

He has been telling us from the beginning

And...

112.

Every action he has taken has been to undo the Act of 1871 and the Corporation formed because of it. Not only that but the reason all of these other nations are so willing to join him and make deals is because he's promising them sovereignty.

113.

MAGA MEGA Global Great Awakening

The People of the World Will Be Slaves No MOAR

Holy Kek, He's DOING It

I can see clearly now; the REIGN has gone.

I think the movement will set all countries free back to sovereignty.

114.

The Act of 1871 was the foundation for the rest of this to occur. What it is, is corporatization of our country and enslavement of its citizens in perpetual debt cycles, furthering the divide between elite and poor until there's nothing left.

115.

I also did this mega mega thread, so I can threadreaderapp it, so I can share it on GAB :)
