The Great Reset their plan to usher in the New World Order and One World Government where they have total control! The House has already introduced 3 Bills that would essentially destroy the United States of America and replace our Constitution and strip us of our Freedom.

The 3 Bills introduced in the US I speak of are:

HR7120

HR6395

HR6666

The people in power & government wish to pass unpopular legislation, so it creates or exploits a problem & blames it on others. Do you see. They are using Covid to pass unpopular legislation "for our safety".

They expect people react as planned by asking the government for help-willing to give up our rights for some sort of solution to the fabricated problem.

The government offers the solution that was planned long before the crisis arose.

The evidence is right in front of you.

If you missed■■

1/ Interesting GPMB file World at Risk. I mean when you read this Lockstep, id2020, Agenda 2030, Event 201, All written b4 the outbreak. One might come to the conclusion a virus was deliberately orchestrated to push a Global agenda like NWO. ONE WORLD GOVERNMENT.

2/ Contracts, shareholders, pharma, & who would benefit financially. For Ex: Did The Bill Gates Foundation help negotiate a \$100Billion gov-backed contact tracing contract in Aug2019, 6mths b4 the 'pandemic' arrived in the US & 4mths b4 it hit China?

Why would there be a meeting for a Contact tracing bill months before a pandemic why were all these events planned before the global pandemic? Why are in lockdown over a virus with 99.97% survival rate? You see the authoritarian legislation happening around the world.

Was it reported the first test had an 80% chance of a false positive? The original article now says withdrawn, but I have a screen shot and link. Why are numbers being inflated? Why were sick allowed in to nursing homes most vulnerable people that should have been protected?

Video 1 of 2

Video 2 of 2

Investigations regarding whether several original Covid Test Kits from multi diff sources/locations contaminated? UK, Canada, Tanzania, China, even CDC? Was the virus spread faster through initial testing? Is that why Potus rejected Covid test from WHO?

Usual suspects? Who would financial benefit from a pandemic? Several people. Gates, Rockefeller Foundation, Pharma. Let's check one name mentioned at Davos SOROS? Open Society... Soros Investments Shareholding■

Remember the TedTalk when Gates talks depopulation with the use of vaccines, etc.

Remember Joe said he wanted to make vaccines mandatory... THATS ILLEGAL AGAINST OUR HUMAN RIGHTS, CONSTITUTION, AND NUREMBERG CODE.

HERE IT IS AGAIN

Are you familiar with the Act of 1986? Taxpayers are pay for damages related to vaccine ■ injuries. They expect us to be compliant lab rats while giving total liability protection to Big Pharma.

NUREMBERG CODE & ■

Are there independent scientific studies clearing ■ adjuvants aluminum, mercury (thimerasol) & others safe to use in the human body? Long term studies? Adverse reaction?■ & genetics play? This isnt one size fits all

There are many .gov studies showing the dangers of adjuvants. There are no US studies comparing the vaccinated to the unvaccinated. What is the difference between injecting these ingredients vs ingesting them? Do you trust the FDA?

WHO Scientist admit ■ causing adverse reactions questioning the safety of adjuvants. You might want to watch this if it gets deleted I downloaded it. <https://t.co/97PcrhfDwh>

What is the ■ cost for Taxpayers \$4.3 billion dollars paid out in vaccine injury/death claims, the Supreme Court has also explicitly stated that vaccines are 'Unavoidably Unsafe' products. Have u heard of SV-40 the Cutter Laboratory incident?

Nuremberg Code for Human Experimentation:

1. VOLUNTARY CONSENT... should have sufficient knowledge & comprehension of the elements of the subject matter involved... (warnings about the possible dangers of ■ adjuvants)

Nuremberg Code for Human Experimentation:

5. No experiment should be conducted, where there is an a priori reason to believe that death or disabling injury will occur...

7. Proper preparations should be made ... to protect the experimental subject against even REMOTE possibilities of injury, disability, or death.

8. During the course of the experiment, the human subject should be at liberty to bring the experiment to an end...

I need you to understand what is at stake. It is America as we know it. Three House bills, if passed, mean the Constitution will be replaced. By the United Nations' (UN) Bill of Human Rights. <https://t.co/GOfzSYEr6>

This defund the police movement isnt what you think it is. By defunding the police they want to replace the police with UN police who is policed by NATO foreign troops on American soil through Strong Cities Network. I did 3 previous threads on this. <https://t.co/JFTMnOFxFu>

Defund police, incite more civil unrest, undermine and try to stop Potus from restoring law and order, win or rig election. Say trump failed and call in UN police. NWO

Cities in America part of the UN strong city network here is a few

Anaheim, USA

Atlanta, USA

Aurora, USA

Chattanooga, USA

Denver, USA

Los Angeles, USA

Louisville, United States

Montgomery County, United States

New York, United States

Pittsburgh, USA

San Diego, United States

Remember seeing UN Vehicles on American soil well incase u forgot heres6 one link about it <https://t.co/6hulu5CDFL>

There are 3 threads with in this thread about HR7120 explaining NATO, UN, Strong City connection.

<https://t.co/9NVNGWJJ3O>

Defund the police = UN POLICE meaning FEDERALIZE POLICE no states rights, no elected Sheriffs making deputies of law abiding citizens. Who better to disarm us but UN police. Gun Confiscation is in the next bill HR 6395 which is about funding HR 7120.

<https://t.co/dTf8mQreSa>

Read the bill search for the word Firearms what evil are they planning that they would need to disarm us after 100s of years? Mandatory by force? American cops wouldnt do it. Our veterans wouldnt disarm us.

Lastly the HR6666

The third bill is the lockdown bill.

People refusing to take the vaccine will be imprisoned? Quarantined? Mandatory? By force? Called a quarantine camp... As long as they say it is for "National Security"... <https://t.co/HliV11qaZF>

Each of these bills can be found on the official website of Congress.

Enter "<https://t.co/GaSyasKTSI>" into any internet search. Then add the number of each bill in separate internet searches. Also read related Bill's.

I dont have the time or patience keep making these threads, when I feel no ones really paying attention. Please do ur own research, questions everything. If you have questions ask. I will respond & try to help. If you like this here is thread of threads.

UN's plan to reduce small arms under guise of acting against gun violence.

- Reducing the existing civilian stockpile.
- Reducing domestic gun ownership.
- Increasing gun laws to reduce new ownership,
- Preventing former military/LEO's from easy ownership.<https://t.co/LKG5ODLD80>
