1. -Teeth Symbolism comms.

If something "has teeth" it's effective

If it was "like pulling a tooth" it required effort to do.

Thus in comms it's used for plants working together and removal of dug-in plants.

e.g. S. Rich died July 2016
https://t.co/l9eUti2Wq9 symbolism signal

> 1. - Tooth Extracted Celebration Comms.
>
> 09/16/2020 Dentist Seth Lookhart extracted tooth July 2016 on hoverboard sentenced to 12 years
>
> Note cheer after extraction in pic 3.
