First Ascended Master self evident of 10 temporary symptoms.

Astral leaving and return to physical body at will.

You can hand pass through own body and take out unwanted items from body and body heal like wolverine at will.

Chakra energy can split and focus at will.

Enlightenment Light appear with presence within heaven.

The Sky appear with all Jewelry shining colour.

You are your own Light and you can see and sense i the Dark without needs of torchlight.

All your 6 senses converge to one and body can be felt like trees and flowers with or without attachment to body senses.

You can see beyond space time, distance and space without obstructions. Remote viewing is only one of the senses.

All knowing remotely and for all events in all locations.

All that you know that others do not, you will not say to others.
