Exposing “for the pinks” gc who says that their tweets is for clapbacks when they are actually obsessed with the boys, drags them, make fun of them, etc. These ss are in Spanish but I translated for everyone to understand.

Also, latam armys has been trying to report these acc for months but hasn’t been working. They dm me and ask me if I can tweet about this since they want our help. And I said yes.

Pls spread this! I’m not a big acc but I want everyone to know about these acc!

Latam armys, escuchado tanto veces a ese dakiti y haré lo mejor que pueda para informar a mi lado sobre la cuenta. Si tienen ss de lo que dice ese cuenta sobre los chicos, mándamelo por dm

This acc has been mostly obsessed with the boys and latam armys had a hard time with the acc to report or anything. Pls report

The 2nd ss said about how no one wants to be Namjoon’s shadow and how bp paved their own way and how the girls don’t need anyone and neither the boys. The 3rd ss is just those lame memes, The 4th ss said how the boys are irrelevant-

And that bp will be remembered. Also said that bts are Chinese gays who has 12 year olds fans that are toxic
