to address perpetrated LIES in specifics...

1. i am not a "druggie". "druggie" is a slain word for "drug addict". i am not a drug addict. i am very ill with legitimate diagnosis as a result from extensive testing appointments etc..under the care of both doctors and specialists.

i have brain and spinal tumors none of which have not been very painful and some of which have ruptured internally placing my life in immediate danger. ALL medication i received is by legitimate prescriptions ONLY and NONE obtained illegally or otherwise. 2. i did NOT at...

any point in time ever disclose/brag to Doris Clause (who calls herself fake name Midge Mathis) and Karen Stewart that i secretly or otherwise kept case files on TIs. since i started my work on BEHALF of true TIs; i disclosed documenting and logging ALL of their case...

evidence to the true targeted individuals that i worked with. i log and document anything and everything provided by the true TI about his/her targeting case. ALL true TIs know as copies are provided along with public notices of my confidentiality statement, disclosure...

statement, and their individual right to request their case file in its entirety at any point in time. 3. regarding jobless, life failure, and other irrational slander IS Karen's desperate attempt to slander me bully me stalk me harass me to further the damage me via her...

executed perpetrated attacks on me and myself as a innocent individual. regarding jobless; i am on disability due to my brain and spinal tumors amongst other ailments medically diagnosed that i battle against daily to stay alive. life failure...i do not perceive myself nor...

am i a life failure. one living LIES is a life failure. i, myself, always sought out hobbies and/or positive things to do because i value having a purpose in my life. i seem to recall that my fate in helping true TIs came about because i sought out something positive to do...

in applying my education skills knowledge and talent. 4. Karen, 63 years old, continues to perpetrate crimes against a innocent individual as i have proven with TRUTH backed by solid evidence time and time again. why does Karen insist on shite gobbles of a psycho? as i...

stated before and i will reiterate here again...what is done is done. one CANNOT remove TRUTH not by perpetrations or otherwise. the work i have done and continue to do on behalf of true TIs will go on as it always has. the fact that Karen continues to execute crimes...
