Physicians for a National Health Program

@PNHP

Having identified the outrageous injustices in U.S. health care, Dr. King called on us to use “direct action and creative nonviolence to raise the conscience of the nation.”

Here are some things you can do TODAY to advance the cause of racial justice in health care. #MLKDay2021

“Of all the forms of inequality, injustice in health care is the most shocking and inhuman.”

The Rev. Martin Luther King Jr. at the Second Annual Convention of the Medical Committee for Human Rights, Chicago, March 25, 1966
