Hindcopper yet to cross 158.

Once close above 158 more momentum. Till then ping pong to continue

> Hindcopper Update 25.07.2021
>
> Stock has given breakout from falling trendline with volume which is important signal.
>
> Above 151 a good trend change signal.
>
> Stock can do 200-212 once starts trading above 158+
