Ancient Egyptians didn't have one name for their country... They only had one name for cities like Memphis or Thebes. Ancient civilizations in general lived only in cities.

Ancient Egyptians named different parts different names:

North land
Sedge land
Ta-mery
Deshert
Kemet

- North land: the North or lower Egypt.

- Sedge land: the South or Upper Egypt.

- Ta-mery: The land of the river bank (where they lived).

- Deshert: The desert or the red land.

- Kemet: The black soil land (Agricultural land).

The cities:

- Memphis or White Walls.

- Thebes or Waset.
