****Thread on Bravery of Sikhs****
(I am forced to do this due to continuous hounding of Sikh Extremists since yesterday)

Rani Jindan Kaur, wife of Maharaja Ranjit Singh had illegitimate relations with Lal Singh (PM of Ranjit Singh). Along with Lal Singh, she attacked Jammu, burnt - https://t.co/EfjAq59AyI

Hindu villages of Jasrota, caused rebellion in Jammu, attacked Kishtwar.

Ancestors of Raja Ranjit Singh, The Sansi Tribe used to give daughters as concubines to Jahangir.

The Ludhiana Political Agency (Later NW Fronties Prov) was formed by less than 4000 British soldiers who advanced from Delhi and reached Ludhiana, receiving submissions of all sikh chiefs along the way. The submission of the troops of Raja of Lahore (Ranjit Singh) at Ambala.

Dabistan a contemporary book on Sikh History tells us that Guru Hargobind broke Naina devi Idol Same source describes Guru Hargobind serving a eunuch
YarKhan. (ref was proudly shared by a sikh on twitter)
Gobind Singh followed Bahadur Shah to Deccan to fight for him.

In Zafarnama, Guru Gobind Singh states that the reason he was in conflict with the Hill Rajas was that while they were worshiping idols, while he was an idol-breaker.

And idiot Hindus place him along Maharana, Prithviraj and Shivaji as saviours of Dharma.

When Sikhs came to Bihar with East India Company to crush rebellion in 1857, Rajputs of Ara drew them inside jungle and hardly a few could escape.
These same Sikhs looted lucknow and got their pictures clicked wearing clothes from loot.
Below is one of those pics.

During the rule of Maharaja Ranjit, his Tawaif changed the religion of a hindu girl and made him musl!m, and Ranjit Singh didn't do anything.
Hindus of Lahore revolted and Ranjit Singh had to flee Lahore.

Ranjit Singh was born in 1780 70 years after death of Aurangzeb. In 1799 Shah Zaman invaded Punjab and
Ranjit did not face him openly, his empire produced no result. Lahore his capital was 60% Muslim by 1900.

Areas ruled by Sikhs prior to Dogras like Kashmir were the areas that were poorest in the entire country.

Everywhere people were in most abject condition, heavily taxed, Sikh government subjected them to every kind of extrotion. Kashmiris were treated like animals.

Abdali killed 10,000s of Sikhs, destroyed temple at Amritsar. Yet Jatt Sikh states of Patiala, Nabha, Jind got right to mint coins from him. And even after 185 yrs after his death, they were using coins on his name. They elected same Patiala Jatt as CM.

Adina Beg Khan governor of Jalandhar in around 1757
crushed Sikhs. Randhawa Jatts greatly supported Adina in this. Then these Randhawas became Sikh during british times to get job in Army. Now the same
Randhawas & Sandhus are at the forefront of Shera di kaum Campaign.

In April 1796, a huge Kumbh Mela in Haridwar, with around 25 lakh people. On last day of Mela, Sikh bands of Patiala Raja Sahib Singh made a wolf like attack on innocent sadhus (mostly brahmins) and pilgrims and made ghats red with blood.
"Assi Hinduo Nu Bachaya Si"

Treaty of Amritsar (1809) where both Rajnit Singh & British agreed on river Satluj as boundary. By this treaty without firing a single shot Ranjit lost and British won entire area from Delhi to Ludhiana (Shera Di Kaum).

Battle of Gujarat 1849. Sikh army 60,000 strong was defeated by British army which was 24,000. British lost only 96 soldiers in battle.
"Sawa lakh se ek ladaun".

Battle of Chamkaur: Mughal letters of that time tell us that Wazir Khan sent 700 horsemen to capture Gobind Singh. Guru Gobind Singh didn't fight, but flee, he was given refuge by Ghorewaha Kacchwaha Rajputs many times. Yes same Rajputs that they are giving gaali.

Now lets talk about their Martial capabilities.
The greatest of Sikh warrior was Banda Vairagi, a Vaishnav Hindu Rajput of Minhas clan and Bhardwaj Gotra born in

Jammu. He was the one who slaughterd Afghans in wholseale, Sikhs used throw meat pieces in his ashram-

Now they claim that he was a Sikh. Thats absoloutely false, he remained Hindu and married Hindu Rajput princess of Chamba.

Lets look at Rajput contribution in Sikh History:

In 1628 AD, Guru Hargobind Singh visited Raja Kalyan Chand at his capital Kot-Kehloor. Rajahim patronage and gifted him the village of Kiratpur and Kalyanpur as Jagir.The Mughal Emperor Jahangir took objection of these relations-

between Raja and Guru ji and asked Raja to remove Guru from hill state of Kehloor. But Raja refused the emperor's wish. Raja Kalyan Chand shifted his capital from Kot-Kehloor to Sunhani (Bilaspur).

Guru Gobind was taught Shastra Vidya by Rao Bajjar Singh Rathore.

Guru Gobind's kids were taught by Rai Alam Singh Chauhan.
He was saved at chamkaur and given protection by Ghorewaha Kachwaha rajputs. He made his sikhs model the rajput culture and uplifted them by making them adopt the rajput culture including dressing syle.

His father and wife were saved by Jaipur kachwahas.

He stayed under protection at raipur rani, Ramgarh, and Chamba, rajput ruled areas.

His greatest general was Bachitar Singh Minhas.

His sons killings were avenged by a Rajput Banda Vairagi.

Most prominent victories of Sikhs got, was either under command of Banda a Hindu Rajput or against divided Afghans who could never muster large number of horsemen. Decline of Mughals, Nadir's invasion gave Sikhs their chance which they exploited.

Next time hear sikhs boasting of saving Hinduism, ask them why they do not live in Lahore and Nankana Sahib? (a Rajput gave them 18,000 acres as a gift at Nankana Saheb).

The guy named Jograj Singh was making fun of a tragic incident of H Marathi women being captured by Abdali, doesnt tell that when Abdali attacked Lahore, Sikhs fled without fighting, leaving their women and what happened afterwards. But I won't either, tragic incidents in public.

Only three times, Indian Kings/Generals have defeated forces of Tibbet or China.
First under Raja Baz Bahadur Chand of Kumaon.
Second under General Zorawar Singh Chandel in 1841.
Third under General Sagat Singh rathore at Nathu la 1967. Credits: @RajSharma1857

General Zorawar Singh Kalhuria who won Tibbet was A Chandel Rajput from Hamirpur, HP.
@DikshaKaluria1 is his current descendant. and a hindu rajput.
Yet these people shamelessly say that He was a Sikh,

Shameless Manjinder Sira of Delhi Gurudwara Committe spreads fake news that Haifa was a Sikh victory, though not a single sikh fought in Haifa, it was a Rajput victory of Jodhpur and Mysore Lancers.

At Battle of Maonda Mandoli, Raja of Bharatpur employed 10,000 Sikh mercenaries to fight for him, though outnumbered, Rajputs of Jaipur made 10,000 Sikhs flee leaving their weapons.

Every Sikh who boasts "we Sikhs saved Hindus"
either sits in India or in white nations. They do not have power to sit in
Gujranwala birthplace of Ranjit ,Nankana birthplace of Nanak and Lahore capital of Khalsa empire.

I am not interested in this bashing of any community but had to form this thread since I and Rajputs are vehemently targeted by Extremist Sikhs since I posted on Jograj Singh. Still, I say not all of them are bad, I too have many sikh friends, but abhi ye log chup nahi huye --

to I will post another thread that is lying in my drafts. Let me see How many prominent RWingers can retweet the true history.

@rahulroushan @ippatel @SaveTemplesBH @arunpudur @Shivam_h9

I'd don't feel too good about this thread, might delete it too, as I have refrained from Community bashing as long as possible, but was forced to do it after continuous hounding.
