## 1) Thread Entitled: 'History of the Rothschilds Part III, 1914 -1965'

**Ok before we get rolling here, just let me say; this is a "highlight reel" there's more crimes that cannot be mentioned here, than will be.**

2) All of this information comes straight out of books that I have read over the years, and I am merely putting that info into timeline form.

Here we go:

3) 1914:

The start of World War I. In this war;  
the German Rothschilds loan money to the German gov't,  
the British Rothschilds loan money to the British gov't,  
the French Rothschilds loan money to the French gov't.

4) Furthermore, the Rothschilds have control of the 3 European news agencies;

Wolff in Germany,

Reuters in England,

Havas (est. 1835) in France.

The Rothschilds use Wolff to manipulate the German people into a fervor for war.

5) From around this time, the Rothschilds are rarely reported in the media, because they own the media.

For obvious reasons, they have always desired to maintain a low profile

6) 1916:

On June 4, Ashkenazi Jew, Louis Dembitz Brandeis is appointed to the Supreme Court of the US by President Wilson as per his agreed blackmail payment to Samuel Untermyer some 3 years earlier.

7) Justice Brandeis is also the elected leader of the Executive Committee for Zionist Affairs, a position he has held since 1914.

8) The middle of World War II. Germany was winning the war as they were being financed by the Rothschilds to a greater extent than the other 3, because Rothschilds, did not want to support the Tsar in Russia, and of course Russia was on the same side as France, Italy and England

9) Then a significant event occurred. Germany, although they were winning the war and not one foreign soldier had set foot on their soil, offered armistice to Britain with no requirement of reparations

10) The Rothschilds were anxious to make sure this didn't happen as they were expecting to make far more money off this war, so they played another card they had up their sleeve.

11) Whilst the British considered Germany's offer, Rothschild agent Louis Brandeis sends a Zionist delegation from America to Britain to promise to bring America into the war on the side of the British, provided the British agree to give the land of Palestine to the Rothschilds

12) The Rothschilds wanted Palestine for the following reason. They had great business interests in the far east & desired their own state in that area along with their own military which they could use as an aggressor to any state that threatened those interests.

13) The British subsequently agree to the deal for Palestine & the Zionists in London contact their counterparts in America & inform them of this fact

14) Suddenly all the major newspapers in America that up to that point had been pro-German turned on them running propaganda pieces such as: German soldiers were killing Red Cross Nurses; German soldiers were cutting off babies hands, etc, to turn the US public against Germany

15) This same year, President Woodrow Wilson, ran a re-election campaign under the slogan, "Re-Elect The Man Who Will Keep Your Sons Out Of The War." -

On December 12, Germany and her allies offer peace terms to end the war.

16) 1917:

As a result of Germany's offer of peace the Rothschild war machine goes into overdrive in America, spreading propaganda which leads to President Wilson instructions of American Zionist leader & Supreme Court Justice, Louis Dembitz Brandeis,

17) reneging on his promise taking America into the first world war.

As per the Rothschild Zionist promise to the British, to take America into the war, they decide they want something in writing from the British to prove that they will uphold their side of the bargain.

18) The British Foreign Secretary, Arthur James Balfour therefore drafts a letter which is commonly known as the, "Balfour Declaration,"

19) The Rothschilds order the execution, of Tsar Nicholas II and his entire family in Russia, by the Bolsheviks they control, even though the Tsar had already abdicated on March 2.

20) This is both to get control of the country and an act of revenge for Tsar Alexander I blocking their world government plan in 1815 at the Congress Of Vienna, and Tsar Alexander II siding with President Abraham Lincoln in 1864. (Remember Kissinger's thesis?)

21) It is extremely important for them to slaughter the entire family including women and children in order to make good on the promise to do so made by Nathan Mayer Rothschild in 1815. It is designed to show the world what happens if you ever attempt to cross the Rothschilds.

22a) U.S. Congressman Oscar Callaway informs Congress that J. P. Morgan is a Rothschild front and has taken control of the American media industry. He states:

22b) "In March, 1915, the J.P. Morgan interests, the steel, shipbuilding & powder interest & their subsidiary organizations, got together 12 men high up in the newspaper world & employed them to select the most influential newspapers in the United States

22c)and sufficient number of them to control generally the policy of the daily press...They found it was only necessary to purchase the control of 25 of the greatest papers...An agreement was reached.

22d) The policy of the papers was bought, to be paid for by the month, an editor was furnished for each paper to properly supervise & edit information regarding the questions of preparedness, militarism, financial policies,

22e) and other things of national and international nature considered vital to the interests of the purchasers."

23) 1919:

In January, Ashkenazi Jews, Karl Liebknecht and Rosa Luxemburg, are killed as they attempt to lead another Rothschild funded Communist coup, this time in Berlin, Germany.

24) The Versailles peace conference is held to decide reparations that the Germans need to pay to the victors following the end of WWI. A delegation of 117 Zionists headed up by Ashkenazi Jew, Bernard Baruch, bring up the subject of the promise of Palestine for them.

25) At this point the Germans realized why America had turned on them & under whose influence, the Rothschilds. The Germans, naturally, felt they had been betrayed by the Zionists.

26) This is because, at the time the Rothschilds made their deal with Britain for Palestine, in exchange for bringing the US into the war, Germany was a friendly country towards Jews, the German Emancipation Edict of 1822 guaranteed Jews the same civil rights enjoyed by Germans

27) Also, Germany was the only country in Europe which did not place restrictions on Jews, even giving them refuge when they had to flee from Russia after their first attempted Communist coup failed there in 1905.

28) The Rothschilds held up their side of the bargain to spill the blood of millions of innocents & as a result, Palestine is confirmed as a Jewish homeland & while its handover to the Rothschilds takes place, it is to remain under the control of

Britain

29) because the Rothschilds control Britain. At that time less than 1% of the population of Palestine was Jewish. Interestingly, the host of the Versailles peace conference is its boss, Baron Edmond de Rothschild.

30) The Versailles peace conference is also used as an attempt by the Rothschilds to set up a world government under the pretext of ending all wars (which they create). This was called the, "League of Nations." Fortunately Americans nearly universally rejected it, so it soon died

31) The League of Nations was the predecessor to the UN and NATO, and through this failure the Rothschild learned a lot.

32) On March 29th The Times of London reports on the Bolsheviks in Russia:

33) "1 of the curious features of the Bolshevik movement is the high % of non Russian elements among its leaders. Of the 20-30 commissaries, or leaders, who provide the central machinery of the Bolshevik movement, not less than 75% were Jews."

34) It is reported that the Rothschilds were angry with the Russians because they were not prepared to allow them to form a central bank within their nation.

35) They therefore gathered groups of Jewish spies & sent them into Russia to drum up a revolution for the benefit of the common man, which was actually a takeover of Russia by a Rothschild controlled satanic elite.

36) These Jewish spies were, in age old deceptive Ashkenazi tradition, given Russian names, for example: Trotsky was a member of the 1st group and his original name was Bronstein.

37) These groups were sent to areas throughout Russia to incite riots and rebellion. (sound familiar?)  
The Jewish Post International Edition, week ending January 24th 1991, confirms Vladimir Lenin was Jewish.

38) Lenin is also on record as having stated,  
"The establishment of a central bank is 90% of communizing a nation."  
These Jewish, Rothschild funded Bolsheviks would go on in the course of history to slaughter 60 million Christians and Non-Jews in Soviet controlled territory.

39) The author Aleksandr Solzhenitsyn in his work, "Gulag Archipelago, Vol 2," affirms that Zionist Jews created & administered the organized Soviet concentration camp system in which these tens of millions of Christians and Non-Jews died.

40) On page 79 of this book he even names the administrators of this the greatest killing machine in the history of the world. They are Aron Solts, Yakov Rappoport, Lazar Kaganovitch, Matvei Berman, Genrikh Yagoda, and Naftaly Frenkel.

41) All 6 are Zionist Jews. In 1970 Solzhenitsyn is awarded the Nobel Peace Prize for literature.

(Anyone who has not read his volumes of Gulag Archipelago I highly recommend it, as I personally believe it's among the most important literature of the 20th century)

42) N. M. Rothschild & Sons' are given a permanent role to fix the world's daily gold price. This takes place in the City of London offices, daily at 1100 hours, in the same room until 2004.

43a) 1920:

Winston Churchill (whose mother, Jenny (Jacobson) Jerome, was Jewish – meaning he is Jewish under Ashkenazi law as he was born of a Jewish mother) writes in an article in the Illustrated Sunday Herald, dated February 8th:

44b) "From the days of Illuminati leader Weishaupt, to those of Karl Marx, to those of Trotsky, this worldwide conspiracy has been steadily growing. And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America,

44c) have gripped the Russian people by the hair of their heads and become the undisputed masters of that enormous empire."

45) 1921:

Under the orders of Jacob Schiff the Council on Foreign Relations (CFR) is founded by Ashkenazi Jews, Bernard Baruch & Colonel Edward Mandell House.

46) Schiff gave his orders prior to his death in 1920, as he knew an organization in America needed to be set up to select politicians to carry on the Rothschild conspiracy & the formation of the CFR was actually agreed in a meeting on May 30, 1919 at the Hotel Majestic in Paris.

47) The CFR membership at the start was approximately 1000 people in the US. This membership included the heads of virtually every industrial empire in America, all the American based international bankers, and the heads of all their tax free foundations.

48) In essence all those ppl who would provide the capital required for anyone who wished to run for Congress, the Senate or the Presidency.

The 1st job of the CFR was to gain control of the press.

49) This task was given to John D. Rockefeller who set up a number of national news magazines such as Life, and Time. He financed Samuel Newhouse & Eugene Meyer to buy up & establish a chain of newspapers & publications all across the country,

50) such as the Washington Post, Newsweek, and The Weekly Magazine.

The CFR also needed to gain control of radio, television and the motion picture industry. This task was split amongst the international bankers from, Kuhn Loeb, Goldman Sachs, the Warburgs, and the Lehmanns.

51) 1925:

This year's Jewish Encyclopedia, states of the existence of Ashkenazi Jews (who represent approximately 90% of world Jewry), with the startling admission that the so called enemy of the Jews,

52) Esau (also known as Edom, see Genesis 36:1), now actually represents the Jewish race, when on pg 42 of Volume V it is stated:

"Edom is modern Jewry."

So what they're saying is that Ashkenazi Jews, who represent 90% of the so-called Jewish population, are actually gentiles

53) 1926:

N. M. Rothschild & Sons refinance the Underground Electric Railways Company of London Ltd which has a controlling interest in the entire London Underground transport system.

Maurice de Rothschild has a son, Edmond de Rothschild.

54) 1929:

The Rothschilds crash the US economy by contracting the money supply. Causing what is now known as the Great Depression

55) 1930:

The first Rothschild world bank, the, "Bank for International Settlements (BIS)," is established in Basle, Switzerland. The same place as where 33 years earlier the first ever World Zionist Congress was held.

56) 1933:

On January 30, Adolf Hitler becomes Chancellor of Germany. He drives Jews, many of which were Communist out of Governmental positions within Germany.

57) As a result of this, in July, the Jews hold a World Conference in Amsterdam during which they demand that Hitler re-instate every Jew back to his former position.

58) Hitler refuses and as a result of this, Samuel Untermyer, the Ashkenazi Jew who blackmailed President Wilson is now the head of the American delegation & the president of the whole conference.

59a) He returns to the United States, and makes a speech on radio which was transcribed in the New York Times, Monday, August 7, 1933. In the speech he made the following statements:

59b) "...the Jews are the aristocrats of the world...Our campaign is...the economic boycott against all German goods, shipping and services...What we are proposing...is to prosecute a purely defensive economic boycott that will undermine the Hitler regime and

59c) bring the German ppl to their senses by destroying their export trade on which their very existence depends.....Each of you, Jew & Gentile alike...must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronizes German ships or shipping."

60) As 2/3 of Germany's food supply had to be imported, and could only be imported with the proceeds of what they exported, if Germany could not export, 2/3 of Germany's population would starve, as there would be not enough food for more than 1/3 of the population.

61) As a result of this boycott, Jews throughout America, would protest outside and damage any stores in which they found any products with, "Made in Germany," printed on them, causing stores to have to dump these products or risk bankruptcy.

62) Once the effects of this boycott began to be felt in Germany, the Germans, who had demonstrated no violence towards the Jews up to this point, simply began boycotting Jewish stores in the same way the Jews had done to stores selling German products in America.

63) Rothschild financed IBM, supply machines to the Nazis which produced punch cards to help organize & manage the initial identification, social expulsion, and the confiscation of their of the Jews property & their extermination.

64) Also this year, President Roosevelt, born of a Jewish mother, therefore satisfying Ashkenazi rules of being Jewish, orders the all-seeing eye to be placed upon all new dollar bills along with the motto, "Novus Ordo Seclorum." This is Latin for, "A New Order of the Ages."

65) 1934:

Swiss banking secrecy laws are reformed & it becomes an offence resulting in imprisonment for any bank employee to violate bank secrecy. This is all in preparation for the Rothschild engineered WWII in which as usual they will fund both sides.

-Edmond de Rothschild dies

66a) 1936:

With regard to the increase in anti-Semitism in Germany, Samuel Landman (at the time, secretary to the World Zionist Organization), in his 1936 book, Great Britain, The Jews & Palestine states the following of the United States entry into World War 1:

66b) "The fact that it was Jewish help that brought USA into the War on the side of the Allies has rankled ever since in German – especially Nazi – minds, and has contributed in no small measure to the prominence which anti-Semitism occupies in the Nazi program."

67) 1938:

On 7th November, a Jew, Herschel Grynszpan, assassinated Ernst vom Rath, a minor official at the German Embassy in Paris. As a result of this German hostility towards Jews in Germany started to turn violent.

68) The Rothschilds Austrian banking house in Vienna, S. M. von Rothschild und Söhne, closes following the Nazi occupation of Austria.

69) 1939:

I.G. Farben the leading producer of chemicals in the world & largest German producer of steel dramatically increases its production. This increased production is almost exclusively used to arm Germany for the Second World War.

70) This company was controlled by the Rothschilds and would go on to use Jews and other disaffected peoples as slave labor in the concentration camps. I.G. Farben also created the lethal Zyklon B gas that was used to exterminate the Jews.

71) On September 1st WWII starts when Germany invades Poland. This was because the German leadership was a Christian leadership,

72) who understood that Soviet Russia was led by Rothschild funded Communists & they feared that as the Soviet Union grew in strength, these Jewish Communists would invade and wipe all the Christians off the map.

73a) 1940:

Hansjürgen Koehler in his book, "Inside The Gestapo," states the following, of Maria Anna Schicklgruber, Adolf Hitler's grandmother:

73b) "A little servant girl.....came to Vienna and became a domestic servant.....at the Rothschild mansion.....and Hitler's unknown grandfather must be probably looked for in this magnificent house."

74a) This is backed up by Walter Langer in his book, "The Mind Of Hitler," in which he states, "Adolf's father, Alois Hitler, was the illegitimate son of Maria Anna Schicklgruber .....Maria Anna Schicklgruber was living in Vienna at the time she conceived.

74b) At that time she was employed as a servant in the home of Baron Rothschild. As soon as the family discovered her pregnancy she was sent back home.....where Alois was born."

75) 1941:

President Roosevelt takes America into WWII by refusing to sell Japan any more steel scrap or oil. Japan was in the midst of a war against China & without that scrap steel & oil, Japan would be unable to continue that war.

76) Japan was totally dependent upon the US for both steel scrap and oil, as well grain which was also cut off. Roosevelt knew this action would provoke the Japanese to attack America, which they subsequently did at Pearl Harbor.

77) 1942:

Prescott Bush, father of future American Presidents' George Herbert Walker & George W, has his company seized under the, "Trading With The Enemy," Act. He was funding Hitler from America, whilst American soldiers were being killed by German soldiers.

78) Jews are also being slaughtered by these same soldiers. Interestingly the ADL never criticizes any of the Bushes for this.

79) 1943:

February 18th, Zionist, Izaak Greenbaum, head of the Jewish Agency Rescue Committee, in a speech to the Zionist Executive Council states:

"If I am asked, could you give from the UJA (United Jewish Appeal) monies to rescue Jews, I say, no and I say again no!"

80) He would go onto state:

“One cow in Palestine is worth more than all the Jews in Poland!”

This is not a surprise, the whole idea of Zionist support for the slaughter of innocent Jews was to scare the survivors into believing that their only place of safety was Israel.

81) How else do you think the Zionists could ensure Jews leave the beautiful European cities in which they live, in order to settle in a desert!?

82) 1944:

On November 6 Lord Moyne, British Minister Resident in the Middle East was assassinated in Cairo by 2 members of the Jewish terrorist group, the Stern Gang, led by future Prime Minister of Israel, Yitzhak Shamir.

83) He is also responsible for an assassination attempt against Harold MacMichael, the High Commissioner of the British Mandate of Palestine, this same year.

84) In Bretton Woods, New Hampshire, two further Rothschild world banks are created. The International Monetary Fund (IMF), and the World Bank.

85) 1945:

The end of WWII. It is reported that I.G. Farben plants were specifically not targeted in the bombing raids on Germany. Interestingly at the end of the war, they were found to have only sustained 15% damage.

86) The tribunals held at the end of WWII, to investigate Nazi War Crimes, censored materials recording Western assistance to Hitler.

87) The Rothschilds take a giant step towards their goal of world domination when the 2nd, “League of Nations,” called the, “United Nations,” was approved this year.

88) 1946:

On July 22 the future Prime Minister of Israel, Ashkenazi Jew, David Ben-Gurion, orders another future Prime Minister of Israel, Ashkenazi Jew, Menachem Begin, to carry out a terrorist attack on the King David Hotel in Palestine, to try and drive out the British.

89) As a result of this 91 people were killed, most of them civilians: 28 British, 41 Arabs, 17 Jews, and 5 others. Around 45 people are injured.

Menachem Begin went on to proudly proclaim himself as, “the father of modern terrorism.”

90) Just to put the attack on the King David Hotel into perspective, it was the biggest death toll as a result of single terrorist action ever & wasn't surpassed for over 40 years later by the Bombing of Pan Am flight 103 over Lockerbie(will come back to that down the road)

91) 1947:

The British who prior to WWII declared that there would be no more immigration of Jews to Palestine in order to protect the

Palestinians from their acts of terror against both them and British soldiers, transfer control of Palestine to the United Nations.

92) The UN resolves to have Palestine partitioned into 2 states, one Zionist and one Arab, with Jerusalem to remain as an international zone to be enjoyed by all religious faiths.

This transfer was scheduled to take place on May 15, 1948.

93) Of course the United Nations had no right to give Arab property to anyone, as indeed even though the Jews owned 6% of Palestine at that time, resolution 181 granted the Jews 57% of the land leaving the Arabs who at that time had 94% with only 43%.

94) Information collected by the ADL in its spy operations on US citizens is used by the House Select Committee on Unamerican Activities. Subcommittee Chair Clare Hoffman dismisses the ADL's reports on suspected communists as "hearsay."

95) 1948:

In the Spring of this year, the Rothschilds bribe President Harry S. Truman to recognize Israel (Rothschild owned Zionist not Jewish territory) as a sovereign state with \$2,000,000 which they give to him on his campaign trail.

96) They then declare Israel to be a sovereign Jewish state in Palestine & within half an hour President Truman declared the United States to be the first foreign nation to recognize it.

97) The Flag of Israel is unveiled. Despite tremendous opposition the emblem on the flag is a blue colored version of the Rothschild, "Red Hexagram or Sign."

This angers many Jews who realize this Hexagram was used in the ancient mystery religions as the symbol of, "Moloch,"

98) (described as a demon of unwilling sacrifice & is also interestingly the name of the stone owl the elite worship at Bohemian Grove), and, "Astaroth," (described as the Lord Treasurer of Hell).

99) The Hexagram was also used to represent Saturn, which has been identified as the esoteric name for, "Satan." This indicates that anyone killed in the name of Israel is actually a sacrifice to Satan.

100) These dissenting Jews believe the, "Menorah," the oldest Jewish symbol should be used and pointed out that the Hexagram is not even a Jewish symbol, but of course as the Rothschild Zionists use it that is what ends up on the Rothschild, I mean Zionist, I mean Israeli flag.

101) April 19, 132 Jewish terrorists from the Irgun gang, led by future Israeli Prime Minister Menachem Begin & the Stern gang, led by future Israeli Prime Minister Yitzhak Shamir, massacre 200 men, women & children as they're sleeping in the Arab village of Deir Yassin.

102) Following the UN transfer of Palestine to an independent Jewish state & independent Arab state, May 15 the Israelis launched an assault on the Arabs with blaring loudspeakers on their trucks informing the Arabs that if they didn't flee immediately, they would be slaughtered

103) 800,000 Arabs with the recent memory of the Deir Yassin massacre at the forefront of their minds, fled in panic.

104) They asked for help from neighboring Arab states, but those states did not get involved as they were no match for the Israelis whose up to date military hardware had been supplied by the Stalinist regime in Russia.

105) Following this assault, the Jews now controlled 78% of former Palestine as oppose to the 57% that had been given to them illegally by the UN

106) The Palestinians, many of them Christians, were never paid compensation for their homes, property & businesses stolen from them during this illegal Jewish assault, and these people ended up in slum refugee tent cities.

107) Furthermore at least half of the Palestinians in their hurry to flee, left their birth certificates behind. The State of Israel then passed a law that only those who could prove citizenship were allowed to return to Israel,

108a) thus meaning these 400,000 Palestinians could not return and lost all their property they had left there. Ashkenazi Jew, David Ben-Gurion, one of the father founders of Israel and its first Prime Minister, candidly describes Zionist aims in his diary (May 1948) as follows:

108b) "The Achilles heel of the Arab coalition is Lebanon. Muslim supremacy in this country is artificial & can easily be overthrown. A Christian State ought to be set up there, with its southern frontier on the river Litani.

108c) We would sign a treaty of alliance with this State. Thus when we have broken the strength of the Arab Legion & bombed Amman, we could wipe out Trans-Jordan, after that Syria would fall. And if Egypt still dared to make war on us, we would bomb Port Said, Alexandria & Cairo

108d) We should thus end the war and would have but paid to Egypt, Assyria and Chaldea on behalf of our ancestors."

109a) 1949:

On October 1, Mao Tse Tsung declares the founding of the People's Republic Of China in Tiananmen Square, Beijing. He is funded by Rothschild created Communism in Russia and also the following Rothschild agents:

110) Solomon Adler, a former US Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to foment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF. All backed by Rothschild

111) 1950:

Israel passes their law of return, guaranteeing every Jew worldwide the right to dwell in the state of Israel, however the Palestinians even though they had lived there for 1300 years, were denied that right.

112) John Davitt, former chief of the Justice Department's internal security section notes that the Israeli intelligence service is the 2nd most active in the United States after the Soviets and of course both Israel and the Soviet Union are run by an Ashkenazi Jewish leadership.

113) 1951:

On April 1 the Israeli Secret Intelligence Agency, Mossad which will go on to terrorize the world, is formed. The motto of Mossad is probably the most disgusting secret service motto in the world, it is, "By Way Of Deception, Thou Shalt Do War."

114) 1954:

"The Lavon Affair." Israeli agents recruit Egyptian citizens of Jewish descent to bomb Western targets in Egypt, and plant evidence to frame Arabs, in an apparent attempt to upset American/Egyptian relations.

115) Israeli defense minister, Ashkenazi Jew, Pinhas Lavon is eventually removed from office, though many think real responsibility lay with David Ben-Gurion.

A hidden microphone planted by the Israelis is discovered in the Office of the US Ambassador in Tel Aviv.

116) 1955:

Edmond de Rothschild founds Compagnie Financiere, Paris.

Designer Of Inverting Metaphors, aka; Political Correctness ~ Herbert Marcuse

1956:

Telephone taps are found connected to two telephones in the residence of the US military attaché in Tel Aviv.

117) 1957:

James de Rothschild dies and it is reported (by the Rothschild owned media) that he bequeaths a large sum of money to the state of Israel to pay for the construction of their parliament building, the Knesset.

118a) He states that the Knesset should be,

"a symbol, in the eyes of all men, of the permanence of the State of Israel."

On page 219 of his book, "Tales of the British Aristocracy," L.G. Pine, the Editor of Burke's Peerage, states that the Jews:

118b) "have made themselves so closely connected w the British peerage that the 2 classes r unlikely to suffer loss which is not mutual. So closely linked r the Jews & the lords that a blow against the Jews in this country wouldn't b possible without injuring the aristocracy"

119) - Maurice de Rothschild dies in Paris.

120a) 1962:

Rothschild de Frères establishes Imétal as an umbrella company for all their mineral mining interests.

Frederic Morton publishes his book, The Rothschilds, in which he states:

120b) "Though they control scores of industrial, commercial, mining & tourist corporations, not 1 bears name Rothschild.

Being private partnerships, the family houses never need to or ever do, publish a single public balance sheet, or other report of their financial condition"

121) This attitude reveals the true aim of the Rothschilds, to eliminate all competition and create their own worldwide monopoly.

122) 1963:

On June 4th President JFK signs Executive Order 11110 which returned to the U.S. government the power to issue currency, without going through the Rothschild's owned Federal Reserve.

123) Less than 6 months later and 2 weeks after he says he would splinter the CIA (a CFR construct) into a 1000 pieces, on November 22nd, president Kennedy is assassinated by the Rothschilds for the same reason as they assassinated President Abraham Lincoln in 1865,

124) he wanted to print American money for the American people, as oppose to for the benefit of a money grabbing war mongering foreign elite.

125) This Executive Order 11110, is rescinded by President Lyndon Baines Johnson on Air Force One from Dallas to Washington, the very same day as President Kennedy was assassinated.

126) Another, and probably the primary, reason for Kennedy's assassination is however, the fact that he made it quite clear to Israeli Prime Minister, David Ben-Gurion, that under no circumstances would he agree to Israel becoming a nuclear state.

127a) The Israeli newspaper Ha'aretz on February 5, 1999, in a review of, Avner Cohen's book, "Israel and the Bomb," states the following:

127b) "The murder of American President John F. Kennedy brought to an abrupt end the massive pressure being applied by the U.S. administration on the government of Israel to discontinue their nuclear program..."

127c) The book implied that, had Kennedy remained alive, it is doubtful whether Israel would today have a nuclear option."

128) Edmond de Rothschild establishes La Compagnie Financière Edmond de Rothschild (LCF), in Switzerland as a venture capital house. This later develops into an investment bank and asset management company with many affiliates.

129) He also marries his wife Nadine and they have a son, Benjamin de Rothschild.

1965:

Israel illegally obtains enriched uranium from NUMEC (Nuclear Materials and Equipment Corporation).
