Here's this year's thread of all the Christmas trees at my brother's house this year:

Here are the living room trees

Here's the Princess Elsa tree, the blue balls tree, the covid candy tree and our first family tree that started my brother's spiral into Christmas fiend

More trees

Hey guess what more trees inc. The Big Gay Tree

We're moving into the Russian Winter Palace wing of the house. My favourites

TREES!!!

Decorations in the bathroom and laundry. Sicko stuff

Another bathroom tree, upstairs trees and a bonus Santa.
