**#ICICIBANK low made 670 and now 800.**

**Channel reversals are the best price points to buy a stock or add more.**

**We saw this in #SBIN as well ■ <https://t.co/EATq54Pgbw>**

**These stocks have a long way to go! <https://t.co/wUyJUqUIUE>**

**#FnOstock #SBIN** has completed a 9 month time correction towards the primary trend line & is all set to head higher from here.

This could also be a **#SIP** stock considering it broke out from a decade long consolidation in Feb'21.

Might continue to outperform **#Nifty** & **#Banknifty** [pic.twitter.com/mYk4exvOn7](https://pic.twitter.com/mYk4exvOn7)
