**#IGL -557**

**Likely move higher towards 630**

**#Probability**

#IGL -544.80

Fibonacci extension shown in chart.

Now above 6.857%(402) which likely act as support. If price quickly move towards 630 and cross than huge upside open 999-1571-2594-3872.

If fall below 402. Than its part of overall correction.

Long term perspective. #Perception [pic.twitter.com/VHQvaN2Wfn](https://pic.twitter.com/VHQvaN2Wfn)
