

did not fall back on our darshana s to understand

the kurukshetra. He made a powerful statement by killing Gandhi and exposed the reality of #freedomovement and the angst of Hindus who were let down due to muslim appeasement and partition. Partition was a death blow to everyone who had pinned hopes for hindu rashtra

But historians made Gandhi the hero to help continue his legacy.

Even RSS/Hindu sabha disowned Godse after Gandhi's assassination . Why?

The cycle of Moslem appeasement will not stop with more Godses. More Godse more Gandhi worship. Period.

#breakthepattern

Pro Godse folks are getting a tight slap from the leaders they espouse tweeting pro Bapu messages and offering shraddanjali.
