"Secualrism is a curse for India"

It's a tool to cover up Muslim Appeasement in India. In last centuries, we have seen that how invaders destroyed India, but in 1947, Mahatma Gandhi and Nehru opted for "Secualrism".

A Thread about the so called "Father of the Nation, India"

Gandhi in 1922: "Even if the Muslims want to kill us all we should face death bravely. If they established their rule after killing Hindus, we would be ushering in a new world by sacrificing our lives!"

Apostle of 'non-violence' rationalising violence by 'Samudaya Vishesh'!

GANDHI after Moplah massacre in 1922: "Hindus must develop courage and strength to die before accepting forced conversion. I was delighted to be told that there were Hindus who did prefer the Moplah hatchet to forced conversion!"
Jihadis: Convert or Die.
Gandhi: Just Die.

'Fight Nazism without arms. Invite Hitler to take over your island.
If he refuses to give a free passage out. Allow your man woman child to be slaughtered!'

- 'Coward' Gandhi's advice to Britons when Hitler was invading Britain.

After Noakhali genocide of 1000's of Hindus & forced conversions of men & rape of women in 1946. GANDHI's advice to women to survive rape & conversion to Islam: "DRINK POISON or commit suicide by other means to commit dishonour".
'FATHER WHO PRESCRIBED JAUHAR WITHOUT FIRE'

'Islamist' Jinnah asked Jihadis to kill Hindus.
'Secular' Gandhi asked Hindus to let Jihadis kill them!
That's how thin the line between Islamism & Secularism is.
'Islamists' will send a Jihadi mob to kill Kaafirs. 'Seculars' will ask d Kaafirs to embrace death w/o retaliation!

Gandhi in 1947: "1000 Sikhs lost their lives of course, but not like brave men. I wld hv liked d 16 who escaped by hiding to come into the open and courted death. What a difference it would have made if they had bravely offered themselves as a nonviolent, willing sacrifice!"

Gandhi: "You may turn around and ask whether all Hindus and Sikhs should die. Yes, I would say. Such martyrdom will not be in vain. You may compliment me or curse me for talking in this manner; but I shall only say what I feel in my heart!"
FATHER of 'Suicidal Secularism!'

Mahatma Gandhi and his congress is a curse for India.
In recent past, we have witnessed many incidents where Hindus were killed by Muslims, yet no congressman went to Hindus for offering condolences.

No one is the father of the nation, India.
Gandhi is the father of Muslim Appeasement and Fake Secularism in India.

Gandhi was an experiment done by Britishers to make India coward.
