Lt Governor @manojsinha_ participated in 6th Governing Council meeting of #NITIAayog; highlighted major reforms made by the UT Government; made suggestions for giving further push to the developmental process in J&K.

After 5 August 2019, J&K got new opportunities of socio-economic development that were not there for many decades. Jammu & Kashmir is passing through a period of transition for development, peace and prosperity: Lt Governor @manojsinha_

From job creation to entrepreneurship, we are going to make J&K a model of Industry 4.0, #FourthIndustrialRevolution. The multiplier effect of industrial transformation will be felt across the entire length and breadth of the UT: Lt Governor

Lt Governor @manojsinha_ suggested the Government of India for considering the demand for setting up of Dry Port in J&K with a customs clearance facility to increase the trade within and outside the Country.

To give a boost to tourism and trade in J&K, Srinagar & Jammu should be opened to regular commercial International flights: LG @manojsinha_

Government aims to take J&K export worth from Rs 1400 cr to Rs 5000 cr in the next two years. Air Cargo capacity for J&K needs to be enhanced to enable easy transport of perishable items: LG

Certain permissions under Water Act & the Air Act, 1981 along with clearances need to be simplified & time period needs to be reduced from 4 months to 30 days so that clearances can be obtained easily & in a short time for setting up industrial units, suggested the LG.

Lt Governor suggested for setting up Regional Office of MoEF in J&K for speedy disposal of Environment Clearances cases for larger projects.

I thank the Hon'ble PM @narendramodi Ji for announcing a new Gas Pipeline Project for the development of J&K in #Budget2021: LG @manojsinha_

#JKIDFC is a model which NITI Aayog has commended as a best practice. JKIDFC has approved 2367 projects worth Rs. 7125.49 crore so far. All the languishing projects would be completed soon, says the LG

We are spending 2.86 % of our budget in the Health sector which is more than the national average. Upgradation of health infrastructure, improving healthcare services has led to an overall improvement in the key health indicators in J&K: LG
