@NeelamMoo

Since 2014 he misused the central machinery to threaten and bully @AIADMKOfficial after breaking them into two. It's almost 6 years and he has not delivered what he had promised to the centre.

He is still experimenting. He tried to bring in Ganga jal; @rajinikanth but Rajini figured out he is highly venomous and escaped.

Failures after failure, yet there are people at the centre who believe him to deliver the goods. It makes me wonder, what kind of Idiots who could buy his stories.

Failing yet again after @rajinikanth walked out, he threatened @AIADMKOfficial by telling them that @BJP4India wouldn't mind joining with Sasikala, whom he addressed as sewage water.

Which saw @EPSTamilNadu run to Delhi & succumb to BJP demands, knowing for sure that anyone joining with @BJP4TamilNadu will give victory to @arivalayam in a platter!

Today Sasikala in ICU fighting covid. Karma smiling at him for all his misdeeds & will settle it's score if anything untowards happens, by making arivalayam sweep like 2019.

TN will remain unbreached by @BJP4India forever, because of the aroggance of this man, who has created a dictatorial & fascist image of @narendramodi to the people of TN!

The man who thinks he is the ultimate king-maker and an avtar of Cho Ramaswamy, is nothing but a contender for best comic title with Yogi Babu.
