Date : 18th June

~ H&S Breakdown target almost achieved

~ Looks like it may underperform for another 2-3 weeks

You can refer below thread for other IT stocks.

#WIPRO Monthly chart says good to add at current level

MULTIYEAR Breakout channel retest

#TCS Good to accumulate near 2900 level

#INFY #Infosys Good to accumulate near 1350 as per weekly chart

More pain if weekly closing below 1310
