One more detail.

Pre-pandemic, solar installation employed some 240,000 Americans - 5x the number employed by coal

<https://t.co/FVkySOXs0l>

Sorry, I can't seem to let this go ... one more point ...

Journalists are fascinated by the unexpected. What happened in 2016 was a surprise, so the people who did it drew disproportionate attention.

But surprises are surprising precisely because they are unusual.
