I've been on the phone with colleagues about the hack all morning. None of us can figure out why #CISA chose this particular response to the breach. Couple of things struck us as curious.

The agencies targeted are not responding how you might expect...

JUST RELEASED: Emergency Directive 21-01 calls on all federal civilian agencies to review their networks for indicators of compromise and disconnect or power down SolarWinds Orion products immediately. Read more: <https://t.co/VFZ81W2Ow7>
