THREAD [FEMINISM] -

Feminism is a hollow ideology which has nothing to do anything with the rights of women, Its just a tool that's destroying women more than anything else. It will take them away from what Allah swt commanded in the Quran.
(++)

Ibn Umar reported: The Messenger of Allah, peace and blessings be upon him, said, “The False Messiah will come upon this marsh of Marriqanat (near Medina). Most of those who go out to him will be women, until a man goes back to his wife, his mother, his daughter, his sister, and

his aunt to shackle them tightly, fearing they would go out to him.”

Musnad A■mad 5330

(++)

The PROPHET PBUH said,

“O Ibn MASOOD! From the Signs of Hour is That Young People will be Rich and there will be Movements to Corrupt Women

At-Tebrani

(++)

The PROPHET PBUH SAID,

“After me I have not left any trial more severe to men than women”

Sahih Al-Bukhari

(++)

"The end of the institution of marriage is the necessary condition for the liberation of women, therefore it is important for us to encourage women to leave there husbands and not live individually with men, all of history must be re written in terms of oppression of women we
++

must go back to ancient female religions like witchcraft" - [Declaration of feminism, A feminism produced document on 1971]

Unfortunately today, many are falling for this propaganda even the Muslims, without understanding the evils associated with it.

++

The truth behind this movement goes unnoticed.

Now, the other issue is the suppression of the rights of women by some men. Yes, that exists and needs to be called out. But you don't need feminism for that. There are already laws given for women and men in the Quran.
++

Use the laws of Islam and Quran for that. Give arguments from that. When you use feminism for it you are ignoring what Allah(swt) has already provided you. And you are giving space to that evil ideology by using that platform.

(++)

In every civilization every society throughout history has recognized the functional role of men and women. This feminist revolution for so called liberation of women its first wave came after WW1 end and then after WW2.
(++)

Men and women have different roles and functions and they can't be equated and compared on each of them.

“And for women are rights over men, similar to those of men over women.” Qur’an 2:228
