This is a message for every sister ■

WHO GOT MARRIED AND DOESN'T HAD CHILDREN:
Dear sister, know that Aisha RA got married to Prophet Muhammad at a very young age but she has never had children.

WHO WAS DIVORCED:

Dear sister, the 2 daughters of Prophet Muhammad (PBUH) got divorced even though they are the daughters of the messenger of Allah!

WHO GOT MARRIED AND DIDN'T GET PREGNANT YET:

Remember dear sister, the first wife and mother of believers Ummi Khadijah RA got married to Prophet Muhammad (PBUH) when she was 40 years old and she got 6 children but syedinna Aisha RA did not have children from him.....

Rasoolullah SA even though she was so young. So there is absolutely a Divine Wisdom behind that ...

WHO DIDN'T GET MARRIED YET AND AFRAID OF WHAT PEOPLE MAY SAY ABOUT HER:
Don't worry dear sister, marriage is Rizq from Allah and He will surely grant it to when HE wills it and not when you want it.
Don't care of what people may say about you, remember that!

Maryam AS never got married and she is the only woman who has a whole Surah with her name! So if not having a husband is a defect, she would not have been mentioned in Qur'an!

Not getting married is not a flaw or a defect but not carrying chastity is, the real defect is that a woman does not preserve her purity and chastity.
Be patient and be sure that Allah will reward you greatly for your patience,

at the end this Dunya is not about men or getting married but about submitting your will peacefully to Allah and accept what ever HE decrees for you.

May Allah SWT guide us on Ihdinasiratul mustakheem path. Aameen
