This is pretty much all there is to valuations ■■ I personally follow this same process.

(Excuse the handwriting, rough notes from CFA L2 Equity Valuations)

what is the valuation process for a compan (1) Understanding the business	4?
(4) Converting forecasts to valuation	el .
The valuation conclusions	
Under understanding the business well 1) Industry & Competitive Analysis (2) Identify economic drivers of a busin	
(4) Analysing current & previous firencial reports
