#Metals Expecting metals to do well from here. I am marking two levels, first one is bullish above, second one is a weekly closing stop for long trade. Posted about metals earlier as well, so just an update

Could be time to book out of large cap IT, if #Dxy continues to correct, fund flow could again chase risky assets
#Banks #metals #midnsmall caps.

Just my observation.

Below todays lows on small cap index could be game over for now. But looks like a ABC corrective done
