## Thread Pt 2 Know Your Enemy

## 1. "The individual is handicapped by coming face-to-face with a conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realization of the evil which has been introduced into our midst." - J. Edgar Hoover

4. Hegel & Hegelian Dialectic

5. Hegelian Dialectics
Thesis / Anti-Thesis / Synthesis

6. The puppet masters covertly plot & initiate a problem for humanity, mankind reacts just as predicted, & then the evil ones introduce the course of action they originally wanted ➡■ disguised as the solution to the “problem” that they created to start with.

1■■The people in power & government wish to pass unpopular legislation, so it creates or exploits a problem & blames it on others.

2■■ The people react as planned by asking the government for help-willing to give up their rights for some sort of solution to the fabricated problem.

3■■ The government offers the solution that was planned long before the crisis arose.

7. The tool to implement this is a False Flag:
"a deliberate misrepresentation of someone's affiliation or motives" Term coined from a ploy by pirate ships that fly flags of a friendly country to prevent their victims from fleeing or preparing for battle.

8. The purpose of the meeting at Jekyll Island:

1■■ stop the influence of small, rival banks and to insure that control over the nation's financial resources would remain in their hands.

2■■ make the ■ supply elastic in order to reverse the trend of private capital & recapture the loan market
3■■ pool the reserves of all the nation's banks into one large reserve for their control.
4■■ shift losses from banks to the taxpayers.

9. “I am concerned for the security of our great nation; not so much because of any threat from without, but because of the insidious forces working from within.” -Gen. Douglas MacArthur
