Getting many messages so a common reply to all

1. No plan in the near term for Webinar/workshop
2. Go through Telegram/Youtube Channel, you will learn 75% of things in free
3. A single weekly expiry is giving you 1% ROI per week, back to back 8 weekly expiries are in green.

4. Watch my video of strangle selling for intraday, practice it with a minimum 1 lot , scale up as you get hold of this.
5. I also share a lot of positional trading ideas, you can also learn and earn from them.
6. Remember Strategies are 20% , 80% is phsycology
