Let's talk about CO Rep. Lauren Boebert and her part in the January 6th coup attempt. Newly elected, she has gained notoriety by declaring she will be wearing her loaded Glock around DC. She has professed loyalty to Trump.

Lauren Boebert's former campaign manager was Sherronna Bishop, a right-wing activist with ties to Proud Boys, III Percenters, Bikers for Trump, etc.

Days after Donald Trump set off a firestorm with telling the Proud Boys to “[stand back and stand by](#)” on national television, Congressional District 3 candidate Lauren Boebert is facing questions about her own admiration of the white supremacist group when it was [revealed in a national story](#) that her former campaign manager said “Thank God” for the Proud Boys.

Sherronna Bishop, a right-wing activist known as “America’s Mom” has openly bragged about her close relationship with the Proud Boys, tabbing them as “[security](#)” for the 2019 sham recall efforts against Governor Jared Polis. Bishop served as Boebert’s campaign manager as recently as [July](#).

Boebert, who gained national notoriety for her [open admiration for QAnon](#) as a candidate, has [campaigned alongside](#) far-right militia groups. In a response to ABC about her recent campaign manager’s admiration of the Proud Boys, the Boebert campaign didn’t denounce the white supremacist group.

Colorado Democratic Party Chair Morgan Carroll released the following statement:

“Boebert’s closest advisor has been found to be an admirer of the Proud Boys, a white supremacist organization that Donald Trump instructed to ‘stand back and stand by’. Boebert’s response about her former campaign manager’s statements is not enough. People in Congressional District 3 are voting right now — they deserve to know if Boebert will denounce the Proud Boys. **If Lauren Boebert can’t unequivocally denounce white supremacists like the Proud Boys, she needs to drop out of the race. Full stop.** No one who entertains support from white supremacist groups like the Proud Boys should be in government.”

Good Evening all.

Monday at 1pm, Lauren Boebert is gonna be in Pueblo. **Some of us have been asked to run a small perimeter security detail for her.** The event that raises more concern for her and myself is the flag waving that starts at 5:30pm Monday. There is a couple of events that are happening before that. 1 of which isn't open to the public. I wasn't going to go unless they invited us, which they did. I'm asking ya'll to show up with your flags, and show your love for our country. Lets make her fell welcomed to our zone.

Finally she gained a personal audience with Trump.

Meeting with our President a few days ago in the Oval Office. It was amazing!

A year ago I announced that I was going to join the fight for freedom and prosperity. I can't ever thank you enough for believing in me, supporting me, and giving me the opportunity to represent us.

The Democrats, led by Nancy Pelosi, are now openly admitting that they held up COVID-19 relief to spite the President.

"The problem... with elected officials such as Josh Hawley is not that they are crazy, or that they don't know any better; it is that they are cowards, and that they are weak.. they are willing to damage American politics and society rather than be criticized by their own tribe."

Man. Read the constitution. There's more than 2 amendments sweetheart. I know you only think there's two. But trust me. The others are pretty cool and important.
