The #EndSARS conversation is back on #1 trend, following the police court case to invalidate state panels. <https://t.co/SANuz62YMR>

Empty gallery so far. Looks like folks haven't woken up yet. The judiciary staff who handle the petitions have just arrived. <https://t.co/gl2tMOpJZa> pic.twitter.com/Kt1Ky1pktU

10:05 Of course you all want to know about “mischievous element” sturves.

Well, first of all, “Turn off your phones” signs are gone, replaced by friendlier ones.

“No phones beyond this point” sign also gone. I even got a special seat reserved, so I can be mischievous in peace.

10:24 I saw Mr. O in the hall, but he was dressed differently. I wondered why. His posse didn't look like they're here for the panel either.

I just learned he's planning a protest today, bringing victims of #EndSARS along.

Ghen ghen!

10:30 NEPAAAAA!!!!

Looks like a pre-emptive strike today, so we don't get too comfortable.

10:51 This is all of us waiting for the bag to come out

11:02 Ghen ghen. Mr. O has indeed brought a bus with young people injured during the #LekkiMassacre

Be plans to show the shooting was real and the victims are not ghosts.
