Reeeeeeeeeeeeeeeeee

If you are one of those conservatives right now saying "we will not #Resist, we're better than the left" then FUCK YOU

YOU are the reason we're here right now

Anyone not declaring total war on this joke of an administration is beyond saving

1/

For the last four years these animals have weaponized the courts, the media, their bolshevik shock troops and generally made life nightmarish for anyone who opposed them

They committed to their ideology and realised that THIS IS NOT A GAME

2/

You are facing an enemy that is stronger, has greater reach, limitless resources and excels at propaganda

If you sit there talking about honour, decorum and "fair play" YOU WILL DESERVE EVERYTHING THAT HAPPENS OVER THE NEXT FOUR YEARS
