BREAKING. Mob of Trump supporters swarm the media near the US Capitol. They yell what Trump frequently says, 'the media is the enemy of the people.' They destroy equipment and chased out reporters. I've never seen anything like this in my 20 year career: [@nbcwashington](#) [@MSNBC](#) pic.twitter.com/3VLC07JQR2

Here's the scary moment when protesters initially got into the building from the first floor and made their way outside Senate chamber. pic.twitter.com/CfVIBsgywK

We'll need a major commission to sort out every person complicit in today's assault on US democracy. pic.twitter.com/zOe69sWIP4

Holocaust denier Nick Fuentes and neo-nazi loser Baked Alaska both live-streamed from Pelosi's office after storming the capitol. Neither have been arrested. pic.twitter.com/HEAQQKQgp0

@FBI I'd start with badge numbers, then focus on the YouTube/twitch streamers, then patches/ink.

The vast majority of these people weren't even wearing masks and many of them straight up streamed it.

But yeah, start with the cops that very visibly worked with the insurrectionists.■

Pretty chill vibe here in this hotel lobby, as Trump supporters decompress from today\u2019s events. All are violating local mask rules, despite multiple massive signs about the mask rule. pic.twitter.com/R98rwGDgaD
