I could be wrong but to me it seems like they were broken into task groups

Group A—> breach outer perimeters

subGroup Aa—>charging group West Entrance

subGroup Ab—>charging group East Entrance

rotating men (see next tweet

Group B—> House Chamber

Group C—> Senate Chamber

BREAKING: He's being named by others now, so I can confirm results of the investigation: Eric Munchel from Nashville TN is #ZipTieGuy

His social media has now been locked down, but many of his posts are disturbing and include glorified violence.
