Anatomy of National Socialist Party Propaganda: Twitter sent out this tweet on January 8th.

That morning, Twitter CEO Jack Dorsey was recorded in a Project Veritas sting video admitting to purging accounts of Trump supporters and promising it was going to get much bigger.

To clear up confusion about fluctuations in follower counts:

In order to prevent spam, we regularly challenge accounts to confirm details like email and phone number. Until that info is confirmed, these accounts aren't included in follower counts. <https://t.co/8BYcBCmxxA>
