### #PLEIADIAN COLLECTIVE

#### 1. Friends Of The Great Planet Earth!

**As You See Another, You Are Seeing The Self. As You Truly Focus On Love In Another, You Understand This Love Is Within Self Or Nothing Could Be Perceived.**

**2. As You Judge Another, Only The Self Is Being Judged. 'Do Unto Others As You Would Have Them Do Unto You.'**

**For In The Deepest Truth, There Is Only ONE.**

**From The Smallest Aspect Of The Microorganism, To The Largest Vibration Of Exploding Multiverses, The Essence Is Of**

ONE.

3. The Nameless ONE, That All Name. The Name Is A Thought Construct Of The Mind. What Is Important Is The Knowing There Is A Creator Of All That Lives. This Sacred Force Reacts To You And Gives You Life.

4. 'In God, We Move, And Live And Have Our Being.' The Essence Of God Is Your True State Of Being.

As You Journey On In This Waking Dream, You Are Playing Roles For One Another.

5. You Are Holding Mirrors For One Another To Remind The Other Of Untold And Unremembered Lessons To Be Learned.

Your Eternal Soul Is Clothed In Flesh As An Earth Suit. You Have Had Many Suits, In Many Sizes And Colors. Be In Great Peace As You Love Them All Without Remembering.

6. As You View The State Of The Planet, You Have Choices To Judge, Fear, Love, Take Control, Destroy, Build Up, And So On.

Each Has A False Identity With An Origin Of Creation.

7. With Free Will, Many Choose To Crack And Shatter The Mirror And Scream Into The Sacred Ethers Of All The Ways They Are Right And The Others Are Wrong.

All The While, The ONE Is Reacting In Vibrational Frequency To The Action Of The Heart. The ONE Is Of Truth And Light.

8. The Purity Of Love Has No Agenda But Has The Great Purpose To Expand In Light And Cover All.

Beloved Ones! All Life Is Joined As Collective In Nature, Yet Life Has Divided Into Many Directions. As You Meditate In Moments Of Silence, Bless The Planet.

9. Send Love To All Creatures Large And Small. Then Expand Your Love To All Multiverses Known And Unknown To You. Finally Realize That The ONE Holding You Can Be Felt In Your Heart And Body.

10. This Will Feel As A Softness Of Love That Many Will Feel Physically As Vibrations Move From The Heart Chakra, To The Entire Body.

We Are ONE, Infinitely And As The Family Of Light, We Remind You To Expand And Connect With The Light Of All.

11. We Are The PLEIADIAN COLLECTIVE And We Are Here To Guide You Home!  
We Love You So!
