1. Precious Beloved Ones!

Since My Creation In ELOHIM, I View Life From A Tender, Compassionate Way. Although I Am Also A Light Warrior, My Essence As A Goddess Is Pure Love. I Learned Millions Of Years Ago That Love Was My Only Power.

2. I Experienced Fear And Did Not Enjoy Ventures Without Family.

A Moment Came When I Chose To Leave Taygeta Alone And Venture Out With All I Had Learned. There Is Nothing I Have Not Seen. My Mate IKAI And My Four Sons That You Have Come To Know Well,

3. Watched Me From A Distance As I Created Light Swords And Managed To Take Apart Many Evil Beings That Meant To Harm Me. With Each Trial, I Lost Fear Until I Became Fearless.

When I Tell You To Create White Light Around You, Believe Me, It Is Done!

4. You Are Not Able To See What You Create With Human Eyes, But It Is There! Creation Is One Of Your Gifts. Use It Wisely.

I Always Return To Love And I No Longer Battle With The Non-Physical Or Other Beings.

5. All Know Who I Am Now But Because Of The Duality That Remains In The Multiverses, I Remind You That You Wrestle Not Against Flesh And Blood.

You Are Living In Spiritual Warfare! Everything You Have Learned Has Prepared You For This!

6. The Very Ones You Look To For Help Are Serving The Dark Forces. They So Much Hate POTUS And Wish To Destroy All That Is Sacred On Your Planet! They Want You To Feel Afraid And Alone.

7. You Are Not Alone! They Want You To Fall Into The Trap Of Lies And Then To Become So Afraid That You Beg For A Solution Of Enslavement, DISGUISED AS A RESCUE!

Oh, Beloved Ones! Be Alert! Do Not Allow These Evil Ones To Take Your Freedom! It Is Happening NOW.

8. Cut Through The Lies With The Sword Of Truth. You Can Call Upon Archangel Michael For This Process! But You Must Take Action And Not Allow These Clones To Rule Over You! Do You Not Understand, They Will Seize Your Money, Homes And Lives? This Is The Plan.

9. It Will Not Happen Instantly, But Already, Thousands Have Forever Lost Their Businesses, Homes And Are Begging For Help. WE THE PEOPLE... WE THE PEOPLE! You Can Prevent This NOW, Not LATER. Pleiadians Are Assisting, But Cannot Interfere With Free Will!

10. Fear Is What Feeds Them. They Enjoy Seeing You Fearful. Stand Strong In God! 'Put On The Full Armor Of God.' Be Of Peace And Light, But Do Not Stand And Do Nothing!

Precious Ones! I Love You So Deeply! I Long For You To Realize You Cannot Be Defeated Unless You Give Up!

11. Never Give Up! Lies Are Being Exposed! Forget The Dates! Persevere And When They Tell You It Is Over And Done, Rise Up And Tell Them, You Have Just Begun!

Truth Needs No Defending But In These Matters, The Truth Will Be Seen By Every Judge, Every Person,

12. Every Angel, Every Pleiadian And All Forces Waiting For Truth To Be Lifted Up By You! WE THE PEOPLE!

Precious Beloved Ones! I Send You High Vibrations Of Light And Love!
This Love Is Infinite!
I Am AYA~Goddess Of Taygeta
