ever wondered about my personal life? no? well let's pretend (i've actually never done one of these before)

1. i have not been a virgin in *checks notes* over a decade

2. 100% sub bottom. my bdsm test results are so bottom that the dom top options do not even register. i have been told i have top energy tho whatever that means

3. i am not picky about who i have sex with as long as they top but ideally someone who could kick my ass (but won't unless i ask them to bc they're nice). also caregiver doms. i am actually very transparent LOL

4. receiving any art is a blessing that i will treasure forever ■

5. i draw porn for money and leisure and post it on the internet. you tell me.
