You shouldn't only show gratitude when you receive something but also give thanks even when things don't go as planned.

There are times where there is no reason to give thanks, but that is the perfect time to show gratitude. In everything, give thanks.

God defines gratitude differently from the way we define gratitude. Man can deceive you with gratitude but God can not be deceived. God sees the heart; He sees beyond the surface.

Gratitude is the state of the heart. Some people would give anything to have your kind of life but they have no idea of the challenges you face. Be Grateful.

Gratitude has nothing to do with what you have. We shouldn't base our relationship with God on material things. In everything give thanks for this is the will of God for us. (Luke 17:13-19)

Four Things Gratitude Does To You

1. Gratitude helps you become better at heart
2. It changes the environment (James 1:2-4)
3. It multiplies little things and brings forth great results.
4. Gratitude would make you receive more

■I almost let go
I felt like I couldn't take life anymore
My problems had me bound
Depression weighed me down
But God held me close
So I wouldn't let go
God's mercy kept me
So I wouldn't let go■
