## Absolutely KILL it this year in 6 steps

### // THREAD //

\*this does not just apply for 2021

You can do this at anytime but this is what my content will be focused on this year.

LET'S GO!

#### 1. Agency work

You're going to

- >> learn a skill on the side
- >> learn a few outreach channels
- >> learn how to close clients
- >> learn how to price your skill at \$1500+ min.
- >> learn how to automate the process
- >> learn how to outsource work

Est. time?

3-6 months

#### 2. Build your network

You're going to

- >> focus your timeline on a theme
- >> tech, marketing, biz, health, fitness, etc.
- >> consistently post value 3-5x a day
- >> comment insight, not repetition
- >> interact with similar accounts
- >> network in DMs

Est. time?

6-12 months

### 3. Learn copywriting

You're going to

- >> create an organized swipe file
- >> screenshot every ad that made you click
- >> screenshot every tweet that went viral
- >> hand write copy for sample products
- >> focus on action, emotion, and concision

Est. time?

Forever

### 4. Build your own SaaS

You're going to

- >> start with a whitelabel SaaS
- >> then come up a profitable idea
- >> find developers to build your SaaS
- >> price your SaaS
- >> use your new audience to market
- >> generate MRR :)

Est. time?

1-6 months

### 5. Cashflow into Appreciating assets

You're going to

- >> learn about different opportunities
- >> stop chasing 10,000% gains
- >> stop falling for risky investments
- >> learn how to manage risk
- >> 5% aggressive plays
- >> 95% safe plays
- >> increase your net worth

Est. time?

Forever

### 6. Start your own group

You're going to

- >> funnel your audience into a group
- >> bounce ideas and help with execution
- >> turn thoughts into action

>> start new businesses from your group  
>> create a mastermind group  
>> mine is coming VERY soon :)

Est. time?

1-2 months

Take what is laid out here.

Follow it to the T.

You will come out of 2021 in awe.
