As far as fundamentals are concerned.....LTI is the most solid stock fundamentally by all parameters amongst 6000 other equity stocks listed on our bourses. Pump as much money as one can at CMP or on dips.....

A perfect 6 bagger in last 4 yrs
#LTI

■Current Assets in latest #LTI Balance Sheet are now 76% of Total Assets

■Cash n Equivalents plus ST Investments are now 41% of Total Assets

■Current Ratio = 3.08

NP2EQ Ratio most important fundamental Equation where #LTI now ahead even against #TCS

#LTI @110.75
#TCS @88
