And here they are...

THE WINNERS OF THE 24 HOUR STARTUP CHALLENGE

Remember, this money is just fun. If you launched a product (or even attempted a launch) - you did something worth MUCH more than $1,000.

#24hrstartup

The winners ■

#10

Lattes For Change - Skip a latte and save a life.

https://t.co/M75RAirZzs

@frantzfries built a platform where you can see how skipping your morning latte could do for the world.

A great product for a great cause.

Congrats Chris on winning $250!

#9

Instaland - Create amazing landing pages for your followers.

https://t.co/5KkveJTAsy

A team project! @bpmct and @BaileyPumfleet built a tool for social media influencers to create simple "swipe up" landing pages for followers.

Really impressive for 24 hours. Congrats!

#8

SayHenlo - Chat without distractions

https://t.co/og0B7gmkW6

Built by @DaltonEdwards, it's a platform for combatting conversation overload. This product was also coded exclusively from an iPad ■

Dalton is a beast. I'm so excited he placed in the top 10.

#7

CoderStory - Learn to code from developers across the globe!

https://t.co/86Ay6nF4AY

Built by @jesswallaceuk, the project is focused on highlighting the experience of developers and people learning to code.

I wish this existed when I learned to code! Congrats on $250!!

#6

OpsBot - Hire a robot. Opsbot is DevOps built for indie makers.

https://t.co/ZnjHRvUI0k

@matteing made this very ambitious product - monitoring and automation built for busy people. Don't waste your time setting up cron, adding monitoring, etc.

Enjoy the $250 ■

#5

Eunoia - Words that don't translate

https://t.co/Rij5NWIVmE

A wonderful, unique product by @stephsmithio. This is a searchable directory of words in other languages that don't translate.

Enjoy the $250!

#4 ($250 prize)

DrawRun - Plan your runs by drawing them on a map!

https://t.co/NuQtjYP1Mm

DrawRun is a simple but useful iOS app that allows users to visualize their runs on a map.

It's amazing how @jordibruin was able to launch a #24hrstartup in the App Store!

#3 ($250 prize)

Teeny Breaks - Science-based mindfulness tips for makers.

https://t.co/RVTqAche3o

A Chrome extension built by @anthilemoon.

We're great at hustling & shipping. What we struggle a bit more with? Taking care of our mental health.

Congrats Anne-Laure!

#2 ($500 prize)

Code Ponder - Marketplace for Code Reviews

https://t.co/LiyCsUmNiW

Built by @benawad97, it's a platform to find experts to review your code.

Very cool idea, congrats on landing 2nd place!!

#1 ($1000 prize)

For the grand prize, a whopping $1,000 ■

https://t.co/8CZUAXUrHX - A shareable profile that sums you up as a maker.

Congrats to @Booligoosh for great idea & execution, hitting #1 on @ProductHunt, & having the best marketing in the game.

You killed it Ethan!
