@matteing

With the coming challenge this week, I decided to compile a list of design resources all makers can use to spice up ■ their projects! ■

Thread ■

■ DrawKit: Gorgeous, hand made illustrations by @JamesDaly90!

Also, one FREE custom illustration for all 24hrstartup contestants!

■ https://t.co/8rQiegvk2E

■■■■■ @noshit_app: No shit - just great design resources! Find fonts, templates, and daily design inspiration. By maker @HarowitzBlack!

■ https://t.co/D1Bwrl6Aph

■ Figma: Visual mockup + prototyping tool. Make great mockups of your project!

■ https://t.co/Rmh8bvemF4

■ Digital Psychology: A great resource on how to design products that convert visitors to ■ sales. By maker @DaniStefanovic!

■ https://t.co/Bsi7MDrCO2

■ Unsplash: Get images for your project! All free, no copyright.

■ https://t.co/fAryHddHds

More links:

https://t.co/196VEBwAei - great design inspiration!

https://t.co/nwV83hzAh6 - open source compilation of design principles
https://t.co/bx17uMkLhx - spice up your landing page with some fonts!

Everyone is welcome to reply and include more resources!

One more resource: We're starting up a Figma file everyone can join! Collaborate on designs below:
