Be careful if you hear tips asking you to buy DHFL. The nclt has approved the resolution plan, where I believe the plan is for the shares to be written off to zero. Piramal will then get new shares. Today's shares will have zero value, beware.

Please read: https://t.co/wjzgeDgPrn

Meanwhile, today, 21 lakh shares traded at upper circuit. This will do good as a coin - DHFLCOIN - and go to the moon.
