ZUCKERBERG'S ELECTION■

1/ Funded by $350 Million from Facebook founder Mark Zuckerberg, activist organizations created a two-tiered election system that treated voters differently depending on whether they lived in Democrat or Republican strongholds.■

2/ Mark Zuckerberg was invited into the counting room, and the American people were kicked out. Zuckerberg-CTCL funds allowed these Democrat strongholds to spend roughly $47 per voter, compared to $4 to $7 per voter in traditionally Republican areas of the state.■

The Legitimacy and Effect of Private Funding In Federal and State Electoral Processes

Comparison of Government Funding and CTCL Grant Funding		
	2020 HAVA + CARES Funding	2020 CTCL Grants
MI	$28,023,919	$6,369,753 (22.7%)
MN	$17,252,286	$2,297,342 (13.3%)
PA	$35,289,004	$15,824,895 (44.8%)
WI	$18,254,963	$6,946,767 (38.1%)

4/ Zuckerberg money & money from other "leftist" organizations totaled $500M, while the Federal Government only appropriated $400M for the 2020 election. This effectively created a "two-tiered election system" and a "shadow

government" running our elections.■

5/ WISCONSIN■

The “Wisconsin Safe Election Plan” was not authored by the state. Effectively, CTCL managed the election in these five cities.

•Promote no voter ID "indefinitely confined"
•Drop Boxes breaching chain of custody
•Consolidating counting centers■

State of Wisconsin

City	CTCL Grant	Dem. Vote	Rep. Vote	Trump's 2016 WI Win	Trump's 2016 WI Win in Votes
Milwaukee	$2,164,500	85%	14%	0.77%	22,748
Madison	$1,281,788	70%	23%	0.77%	22,748
Green Bay	$1,625,600	58%	42%	0.77%	22,748
Racine	$1,002,100	72%	28%	0.77%	22,748
Kenosha	$872,779	69%	31%	0.77%	22,748
Total CTCL WI Grant	$6,946,767				

6/ MICHIGAN■

Election officials hired & trained by CTCL failed to provide meaningful bi-partisan observation. They gave direct access of state voter files to "leftist" groups like 'Rock The Vote'. Thousands of ballots were cured without oversight from bipartisan observers.■

State of Michigan

Detroit	$3,512,000	234,871	7,682	227,189	0

6/ PENNSYLVANIA■

CTCL paid election judges & election officials in Philadelphia mandated polling places & drop boxes.

In Democrat Delaware County, there was 1 drop box every 4 square miles.

In 59 Republican counties, there was 1 drop box every 1,100 square miles.■

City/County	CTCL Grant	Clinton	Trump	Trump's 2016 Pa Win	Trump's 2016 PA Win in Votes
Delaware County	$2,200,000	65%	35%	0.72%	44,292

7/ GEORGIA■

Fulton County allowed private access directly to government voter registration files & access to early voting opportunities.

CTCL-funded counties had drop boxes every 14 square miles while unfunded counties had drop boxes every 294 square miles.■

Georgia

Dekalb	$4,800,000	251,370	51,468
Total GA Grant	$16,695,235	731,853	332,395

8/ DROP BOXES■

Zuckerberg-money initiated the use of drop boxes for ballot collection, significantly breaching the chain of custody & failing to maintain proper logs to ensure all properly cast ballots were counted & all improperly cast ballots were not counted.■

9/ ZUCKERBERG'S ELECTION■

Zuckerberg's charity, CTCL, paid for election judges, purchased the drop boxes, ordered the consolidation of the counting facilities, paid the election officials that boarded up the windows, & dictated the policies that undermined state law.■

10/ Americans know there was election fraud. Americans saw Zuckerberg's "sporting arena election centers" with observers using binoculars anywhere from 10ft to 200ft away from the ballots. Election officials even admitted that they violated state

laws in contested states.■

11/ AMISTAD PROJECT■

Mahalo to @PhillDKline for fighting for election integrity as a private citizen and compiling this report on how private funds enabled election fraud in several key states.■

12/ Further reading on how CTCL (founded by a former fellow of the Obama Foundation) created a two-tiered election system. Impartial election officials are supposed to work for the people, but in the 2020 election, they were on Zuckerberg's payroll.■

> Zuckerberg donated $400M to help with local elections. In Philadelphia, CTCL dictated the polling places, paid the election officials, brought in drop boxes, consolidated the counting centers. In short, private partisan funds led to a violation of equal protection laws.\U0001f53b pic.twitter.com/8j7TxPldZ2
