■ What is investing cycle?

■ 2006-07, 2009-10, 2017, 2021

What fundamental, what valuation, what governance, what history when future bright ■

■ 2002-03, 2008, 2012-13, 2018-19

Only invest in good companies, fair valuation, with good history and honest promoter ■
